and certain of its affiliates (the "Buyers") pursuant to the Master Sale And Purchase Agreement dated December 10, 2007 (a copy of which is attached hereto as Exhibit A, and together with all Exhibits, Schedules, and related Ancillary Agreements, the "Agreement"), by and between Delphi and certain of its affiliates, including certain affiliated Debtors as set forth in the Agreement (the "Selling Debtors Entities")² and the Buyers, or to the party submitting the highest or otherwise best bid (the "Successful Bidder"), (ii) the assumption and assignment of certain prepetition executory contracts and unexpired leases as defined in the Agreement (the "Pre-Petition Contracts") and the assignment of certain postpetition executory contracts and unexpired leases as defined in the Agreement (the "Post-Petition Contracts" and collectively with the Pre-Petition Contracts, the "Assumed and Assigned Contracts") to the Buyers or the Successful Bidder, and (iii) the assumption of certain liabilities as defined in the Agreement (the "Assumed Liabilities") by the Buyers or the Successful Bidder, and (c) authorizing and approving the Transaction Facilitation Agreement with General Motors Corporation; and the Court having entered an order on December 21, 2007 (the "Bidding Procedures Order") (Docket No. 11578)(a) approving Bidding Procedures, (b) granting certain Bid Protections, (c) approving the form and manner of sale notices, and (d) setting the Sale Hearing; and the Sale Hearing having been held on February 21, 2008, at which time all interested parties were offered an opportunity to be heard with respect to the Motion; and the Court having reviewed and considered the Motion and the arguments of counsel made, and the evidence proffered or adduced, at the Sale Hearing; and it appearing that the relief requested in the Motion is in the

² Under the Agreement, the Selling Debtor Entities are comprised of Delphi, Delphi Automotive Systems LLC, Delphi China LLC, Delphi Technologies, Inc., and Delphi Automotive Systems (Holding) Inc. Certain assets will be sold under the Agreement by non-Debtor affiliates of the Selling Debtor Entities listed on Schedule 1 to the Agreement. The Selling Debtor Entities and the selling non-Debtor affiliates are collectively referred to as the "Sellers."

best interests of the Selling Debtor Entities, their estates, creditors, stakeholders, and all other parties-in-interest; and after due deliberation thereon, and sufficient cause appearing therefor,

IT IS HEREBY FOUND AND DETERMINED THAT:³

A. The Court has jurisdiction over the Motion and the transactions contemplated by the Agreement pursuant to 28 U.S.C. §§ 157 and 1334, and this matter is a core proceeding pursuant to 28 U.S.C. § 157(b)(2)(A) and (N). Venue of these cases and the Motion in this district is proper under 28 U.S.C. §§ 1408 and 1409.

B. The statutory predicates for the relief sought in the Motion are sections 363, 365, and 1146 of 11 U.S.C. §§ 101-1330, as amended and in effect on October 8, 2005 (the "Bankruptcy Code"), and Fed. R. Bankr. P. 2002, 6004, 6006, and 9014.

C. As evidenced by the affidavits of service previously filed with the Court, and based on the representations of counsel at the Sale Hearing, (i) proper, timely, adequate, and sufficient notice of the Motion, the Sale Hearing, the Sale, the Bid Deadline and Auction, the assumption and assignment of the Assumed and Assigned Contracts, and the Cure Amounts as approved herein has been provided in accordance with 11 U.S.C. §§ 102(l), 363, and 365 and Fed. R. Bankr. P. 2002, 6004, 6006, and 9014, (ii) such notice was good, sufficient, and appropriate under the circumstances, and (iii) no other or further notice of the Motion, the Sale Hearing, the Sale, the Bid Deadline, the Auction, or the assumption and/or assignment of the Assumed and Assigned Contracts as approved herein is or shall be required.

D. In accordance with the provisions of the Bidding Procedures Order, the Debtors have served notice of the Cure Amounts (the "Cure Notice") upon each non-Debtor

counterparty to a Pre-Petition Contract that the Selling Debtor Entities seek to assume and assign to the Buyers and each non-Debtor counter-party to the Post-Petition Contracts. The service of such Cure Notice was good, sufficient, and appropriate under the circumstances and no further notice need be given in respect of establishing a Cure Amount for the respective Pre-Petition Contract. Non-Debtor counter-parties to the Pre-Petition Contracts have had a reasonable opportunity to object to the Cure Amount and assumption and assignment of the Pre-Petition Contracts set forth in the Cure Notice.

E. As demonstrated by (i) the testimony and other evidence proffered or adduced at the Sale Hearing and (ii) the representations of counsel made on the record at the Sale Hearing, the Selling Debtor Entities have marketed the Purchased Assets and conducted the sale and bidding process in compliance with the Bidding Procedures Order. No higher and better offers having been made, the Buyers, pursuant to the Agreement, are the Successful Bidder.

F. The Selling Debtor Entities (i) have full power and authority to execute the Agreement and all other applicable documents contemplated thereby, and the transfer and conveyance of the Purchased Assets by the Selling Debtor Entities has been duly and validly authorized by all necessary action of the Selling Debtor Entities, (ii) have all of the power and authority necessary to consummate the transactions contemplated by the Agreement, and (iii) have taken all action necessary to authorize and approve the Agreement and to consummate the transactions contemplated thereby, and no consents or approvals, other than those expressly provided for in the Agreement, are required for the Selling Debtor Entities to consummate such transactions.

G. The Selling Debtor Entities have demonstrated (i) good, sufficient, and sound business purpose and justification for the Sale because, among other things, the Selling

Debtor Entities and their advisors diligently and in good faith analyzed all other available options in connection with the disposition of the Purchased Assets and determined that (a) the terms and conditions set forth in the Agreement, (b) the transfer to the Buyers of the Purchased Assets pursuant thereto, and (c) the Purchase Price agreed to as reflected in the Agreement are all fair and reasonable and together constitute the highest or otherwise best value obtainable for the Purchased Assets and (ii) that compelling circumstances for the Sale pursuant to 11 U.S.C. § 363(b) prior to, and outside of, a plan of reorganization exist because, among other things, absent the Sale the value of the Purchased Assets will be substantially diminished.

H. A reasonable opportunity to object or be heard with respect to the Motion and the relief requested therein has been afforded to all interested persons and entities, including without limitation: (i) the Office of the United States Trustee for the Southern District of New York, (ii) counsel for the Buyers, (iii) counsel for the official committee of unsecured creditors appointed in these chapter 11 cases, (iv) counsel for the official committee of equity security holders appointed in these chapter 11 cases, (v) all entities known to have expressed an interest in a transaction with respect to the Purchased Assets during the past 12 months, (vi) all entities known to have asserted any Interests and/or Claims (as defined below) in or upon the Purchased Assets, (vii) all federal, state, and local regulatory or taxing authorities or recording offices, including but not limited to environmental regulatory authorities, which have a reasonably known interest in the relief requested by the Motion, including all taxing authorities having jurisdiction over any of the Purchased Assets, (viii) all parties to the Assumed and Assigned Contracts, (ix) the United States Attorney's office, (x) the United States Department of Justice, (xi) the Securities and Exchange Commission, (xii) the Internal Revenue Service, (xiii) all entities on the Master Service List (as defined by the Supplemental Order Under 11 U.S.C. §§

102(1) And 105 And Fed. R. Bankr. P. 2002(M), 9006, 9007, And 9014 Establishing Omnibus Hearing Dates And Certain Notice, Case Management, And Administrative Procedures (Docket No. 2883), as amended from time to time (collectively, the "Case Management Orders")), (xiv) counsel to General Motors Corporation; (xv) counsel to the International Union, United Automobile, Aerospace and Agricultural Works of America and its Local Unions Number 699 (Saginaw) and Number 2195 (Athens); (xvi) all other labor unions representing the Business' hourly employees; and (xvii) any pension fund or multiemployer pension plan to which the Debtors have made contributions on account of employees of the Business.

I. The Buyers are not "insiders" of any of the Debtors as that term is defined in 11 U.S.C. § 101(31).

J. The Agreement was negotiated, proposed, and entered into by the Selling Debtor Entities and the Buyers without collusion, in good faith, and from arm's-length bargaining positions. Neither the Selling Debtor Entities nor the Buyers have engaged in any conduct that would cause or permit the Sale to be avoidable under 11 U.S.C. § 363(n).

K. The Buyers are good-faith purchasers under 11 U.S.C. § 363(m) and, as such, are entitled to all of the protections afforded thereby. The Buyers will be acting in good faith within the meaning of 11 U.S.C. § 363(m) in closing the transactions contemplated by the Agreement at all times after the entry of this order. In particular, (i) the Buyers recognized that the Debtors were free to deal with any other party interested in acquiring the Purchased Assets; (ii) the Buyers complied with the terms of the Bidding Procedures Order; (iii) the Buyers agreed to subject their bid to the competitive bidding procedures set forth in the Bidding Procedures Order; (iv) the Buyers in no way induced or caused the chapter 11 filing by the Debtors; (v) all payments to be made by the Buyers and other agreements or arrangements entered into by the

Buyers in connection with the Sale have been disclosed; (vi) the Buyers have not violated section 363(n) of the Bankruptcy Code by any action or inaction; (vii) no common identity of directors or controlling stockholders exists between the Buyers and any of the Debtors; and (viii) the negotiation and execution of the Agreement was at arms' length and in good faith.

L. The Buyers are not a continuation of the Debtors or their respective estates and there is no continuity of enterprise between the Buyers and the Debtors. The Buyers are not holding themselves out to the public as a continuation of the Debtors. The Buyers are not successors to the Debtors or their respective estates and the Sale does not amount to a consolidation, merger, or de facto merger of the Buyers and the Debtors. The transactions contemplated by the Agreement are not being entered into fraudulently or to escape liability for the Debtors' debts.

M. The consideration provided by the Buyers for the Purchased Assets pursuant to the Agreement (i) is fair and reasonable, (ii) is the highest or otherwise best offer for the Purchased Assets, (iii) will provide a greater recovery for the Selling Debtor Entities' creditors and stakeholders than would be provided by any other practical available alternative, and (iv) constitutes reasonably equivalent value and fair consideration under the Bankruptcy Code and under the laws of the United States, any state, territory, or possession thereof, or the District of Columbia.

N. The transfer of the Purchased Assets to the Buyers will be a legal, valid, and effective transfer of the Purchased Assets, and in the case of the Purchased Assets of the Selling Debtor Entities, shall vest the Buyers with all right, title, and interest of the Selling Debtor Entities to the Purchased Assets free and clear of any and all liens, claims, interests, and Encumbrances of any type whatsoever, whenever and however arising (whether known or

unknown, choate or inchoate, filed or unfiled, scheduled or unscheduled, noticed or unnoticed, recorded or unrecorded, perfected or unperfected, allowed or disallowed, contingent or non-contingent, liquidated or unliquidated, matured or unmatured, material or non-material, disputed or undisputed, whether arising prior to or subsequent to the commencement of the chapter 11 cases, and whether imposed by agreement, understanding, law, equity, or otherwise, including claims otherwise arising under doctrines of successor liability), including, but not limited to those (i) that purport to give to any party a right or option to effect any forfeiture, modification, right of first refusal, or termination of the Selling Debtor Entities' or the Buyers' interest in the Purchased Assets, or any similar rights, and (ii) relating to taxes arising under or out of, in connection with, or in any way relating to the operation of the Steering Business prior to the Closing Date, including the transfer of the Purchased Assets to the Buyers (collectively, the "Interests and/or Claims").

O. If the Sale of the Purchased Assets with respect to the Selling Debtor Entities were not free and clear of all Interests and/or Claims as set forth in the Agreement and this order, or if the Buyers would, or in the future could, be liable for any of the Interests and/or Claims, the Buyers would not have entered into the Agreement and would not consummate the Sale or the transactions contemplated by the Agreement, thus adversely affecting the Selling Debtor Entities, their estates, their creditors, and their stakeholders.

P. The Selling Debtor Entities may sell their interests in the Purchased Assets free and clear of all Interests and/or Claims because, in each case, one or more of the standards set forth in 11 U.S.C. § 363(f)(1)-(5) has been satisfied. All holders of Interests and/or Claims who did not object, or withdrew their objections to the Sale, are deemed to have consented to the Sale, pursuant to 11 U.S.C. § 363(f)(2). Those holders of Interests and/or Claims who did object

fall within one or more of the other subsections of 11 U.S.C. § 363(f), and all holders of Interests and/or Claims are adequately protected by having their Interests and/or Claims, if any, attach to the cash proceeds of the Sale ultimately attributable to the property against or in which they claim an Interest or Claim with the same priority, validity, force, and effect as they attached to such property immediately before the closing of the Sale.

Q. The Sale must be approved and consummated promptly in order to preserve the viability of the Steering Businesses subject to the Sale as a going concern, to maximize the value of the Debtors' estates and to protect the interests of the customers of the non-Debtor Sellers. The Sale is in contemplation of, and a necessary condition precedent to, a reorganization plan for the Debtors and, accordingly, constitutes a transfer to which section 1146(c) of the Bankruptcy Code applies.

R. The Selling Debtor Entities have demonstrated that it is an exercise of their sound business judgment to assume and/or assign the Assumed and Assigned Contracts as applicable to the Buyers in connection with the Closing of the Sale, and the assumption and/or assignment of the Assumed and Assigned Contracts is in the best interests of the Selling Debtor Entities, their estates, their creditors, and their stakeholders. The Assumed and Assigned Contracts being assigned to, and the liabilities being assumed by, the Buyers are an integral part of the Purchased Assets being purchased by the Buyers and, accordingly, such assumption and/or assignment of the Assumed and Assigned Contracts and is reasonable and enhances the value of the Selling Debtor Entities' estates.

S. The Selling Debtor Entities have (i) cured, or have provided adequate assurance of cure of, any default existing prior to the Closing of the Sale under all of the Pre-Petition Contracts, within the meaning of 11 U.S.C. § 365(b)(1)(A), by payment of the Cure

Amounts provided on Schedule 1 hereto and (ii) provided compensation or adequate assurance of compensation to any party for any actual pecuniary loss to such party resulting from a default prior to the date hereof under any of the Pre-Petition Contracts, within the meaning of 11 U.S.C. § 365(b)(1)(B). The Buyers have provided adequate assurance of their future performance of and under the Pre-Petition Contracts, within the meaning of 11 U.S.C. §§ 365(b)(1)(C) and 365(f)(2)(B). Pursuant to 11 U.S.C. § 365(f), the Pre-Petition Contracts to be assumed and assigned under the Agreement shall be assigned and transferred to, and remain in full force and effect for the benefit of, the Buyers notwithstanding any provision in the contracts or other restrictions prohibiting their assignment or transfer. The hearing on the Motion as it pertains to the Objections set forth on Schedule 2 hereto is adjourned to March 19, 2008, and any findings and conclusions and decretal paragraphs herein pertaining to the Assigned Contracts do not apply to the contracts covered by such Objections.

T. Approval of the Agreement and consummation of the Sale of the Purchased Assets and assignment of the Assumed and Assigned Contracts at this time are in the best interests of the Selling Debtor Entities, their estates, their creditors, their stakeholders, and other parties-in-interest.

NOW THEREFORE, IT IS HEREBY ORDERED, ADJUDGED, AND
DECREED THAT:

General Provisions

1. The Motion is GRANTED.

Approval Of The Agreement

2. Pursuant to 11 U.S.C. § 363(b), the Agreement and all of the terms and conditions thereof are hereby approved.

3. Pursuant to 11 U.S.C. § 363(b), the Selling Debtor Entities are authorized, but not directed, to perform their obligations under the Agreement and comply with the terms thereof and consummate the Sale in accordance with and subject to the terms and conditions of the Agreement.

4. Each of the signatories to the Agreement is authorized, but not directed, to take all actions necessary or appropriate to effectuate the terms of this order.

5. The Selling Debtor Entities are authorized, but not directed, to execute and deliver, and empowered to perform under, consummate, and implement, the Agreement, together with all additional instruments and documents as may be reasonably necessary or desirable to implement the Agreement, and to take all further actions as may be requested by the Buyers for the purpose of assigning, transferring, granting, conveying, and conferring to the Buyers or reducing to possession the Purchased Assets and the Assumed and Assigned Contracts, or as may be necessary or appropriate to the performance of the obligations as contemplated by the Agreement.

6. This order and the Agreement shall be binding in all respects upon all creditors and stakeholders (whether known or unknown) of the Debtors, the Buyers, all successors and assigns of the Buyers and the Selling Debtor Entities, all affiliates and subsidiaries of the Buyers and the Selling Debtor Entities, and any subsequent trustees appointed in the Debtors' chapter 11 cases or upon a conversion to chapter 7 under the Bankruptcy Code, and the Agreement shall not be subject to rejection. To the extent that any provision of this order is inconsistent with the terms of the Agreement, this order shall govern.

7. The Agreement and any related agreements, documents, or other instruments may be modified, amended, or supplemented by the parties thereto in accordance

with the terms thereof without further order of the Court; provided that any such modification, amendment, or supplement does not have a material adverse effect on the Selling Debtor Entities' estates in the good faith business judgment of the Selling Debtor Entities.

Sale And Transfer Of The Purchased Assets

8. Except as expressly permitted or otherwise specifically provided for in the Agreement or this order, pursuant to 11 U.S.C. §§ 363(b) and 363(f), upon the consummation of the Agreement, the Selling Debtor Entities' right, title, and interest in the Purchased Assets shall be transferred to the Buyers free and clear of all Interests and/or Claims, with all such Interests and/or Claims to attach to the cash proceeds of the Sale in the order of their priority, with the same validity, force, and effect which they had as against the Purchased Assets immediately before such transfer, subject to any claims and defenses the Selling Debtor Entities may possess with respect thereto.

9. The transfer of the Purchased Assets to the Buyers pursuant to the Agreement constitutes a legal, valid, and effective transfer of the Purchased Assets and shall vest the Buyers with all right, title, and interest of the Selling Debtor Entities in and to the Purchased Assets free and clear of all Interests and/or Claims of any kind or nature whatsoever.

10. If any person or entity which has filed financing statements, mortgages, mechanic's liens, lis pendens, or other documents or agreements evidencing Interests and/or Claims against or in the Purchased Assets shall not have delivered to the Selling Debtor Entities prior to the Closing of the Sale, in proper form for filing and executed by the appropriate parties, termination statements, instruments of satisfactions, releases of all Interests and/or Claims that the person or entity has with respect to the Purchased Assets, or otherwise, then (i) the Selling Debtor Entities are hereby authorized to execute and file such statements, instruments, releases,

and other documents on behalf of the person or entity with respect to the Purchased Assets and (ii) the Buyers are hereby authorized to file, register, or otherwise record a certified copy of this order, which, once filed, registered, or otherwise recorded, shall constitute conclusive evidence of the release of all Interests and/or Claims in the Purchased Assets of any kind or nature whatsoever.

11. This order (i) shall be effective as a determination that, upon the Closing of the Sale, all Interests and/or Claims of any kind or nature whatsoever existing as to the Selling Debtor Entities or the Purchased Assets being sold by the Selling Debtor Entities prior to the Closing of the Sale have been unconditionally released, discharged, and terminated (other than any surviving obligations), and that the conveyances described herein have been effected, and (ii) shall be binding upon and shall govern the acts of all entities including, without limitation, all filing agents, filing officers, title agents, title companies, recorders of mortgages, recorders of deeds, registrars of deeds, administrative agencies, governmental departments, secretaries of state, federal, state, and local officials, and all other persons and entities who may be required by operation of law, the duties of their office, or contract, to accept, file, register, or otherwise record or release any documents or instruments, or who may be required to report or insure any title or state of title in or to any of the Purchased Assets.

12. All persons and entities, including, but not limited to, all debt security holders, equity security holders, governmental, tax, and regulatory authorities, lenders, trade creditors, and other stakeholders, holding Interests and/or Claims of any kind or nature whatsoever against or in the Selling Debtor Entities or the Purchased Assets being sold by the Selling Debtor Entities (whether legal or equitable, secured or unsecured, matured or unmatured, contingent or non-contingent, senior or subordinated), arising under or out of, in connection with,

or in any way relating to, the Steering Business, the Purchased Assets being sold by the Selling Debtor Entities, the operation of the Steering Business by the Selling Debtor Entities prior to the Closing of the Sale, or the transfer of the Purchased Assets to the Buyers, hereby are forever barred, estopped, and permanently enjoined from asserting against the Buyers, their successors or assigns, their property, or the Purchased Assets, such persons' or entities' Interests and/or Claims. Nothing in this order or the Agreement releases or nullifies any Liability to a governmental agency under any environmental laws and regulations that any entity would be subject to as owner or operator of any Purchased Assets after the date of entry of this order. Nothing in this order or the Agreement bars, estops, or enjoins any governmental agency from asserting or enforcing, outside the Court, any Liability described in the preceding sentence. Notwithstanding the above, nothing herein shall be construed to permit a governmental agency to obtain penalties from the Buyers for the Selling Debtor Entities' of violation of environmental laws and regulations prior to Closing.

13. All persons and entities are hereby forever prohibited and enjoined from taking any action that would adversely affect or interfere with the ability of the Selling Debtor Entities to sell and transfer the Purchased Assets to the Buyers, in each case in accordance with the terms of the Agreement and this order.

Assumption And Assignment To The Buyers Of The Pre-Petition Contracts

14. Pursuant to 11 U.S.C. §§ 105(a) and 365, and subject to and conditioned upon the Closing of the Sale, the Selling Debtor Entities' assumption and assignment to the Buyers, and the Buyers' assumption on the terms set forth in the Agreement, of the Pre-Petition Contracts is hereby approved, and the requirements of 11 U.S.C. §§ 365(b)(1) and 365(f) with respect thereto are hereby deemed satisfied.

15. The hearing on the Motion as it pertains to the proposed Assignment Contracts covered by the Objections listed on Schedule 2 shall be adjourned to the March 19, 2008 omnibus hearing.

16. The Selling Debtor Entities are hereby authorized in accordance with 11 U.S.C. §§ 105(a), 363, and 365 to (a) assume and/or assign to the Buyers, effective upon the Closing of the Sale, the Assumed and Assigned Contracts free and clear of all Interests and/or Claims of any kind or nature whatsoever and (b) execute and deliver to the Buyers such documents or other instruments as may be necessary to assign and transfer the Assumed and Assigned Contracts and Assumed Liabilities to the Buyers.

17. The Pre-Petition Contracts shall be transferred to, and remain in full force and effect for the benefit of, the Buyers in accordance with their respective terms, notwithstanding any provision in any such Pre-Petition Contract (including those of the type described in sections 365(b)(2) and (f) of the Bankruptcy Code) that prohibits, restricts, or conditions such assignment or transfer and, pursuant to 11 U.S.C. § 365(k), the Selling Debtor Entities shall be relieved from any further liability with respect to the Pre-Petition Contract after such assignment to and assumption of such contracts by the Buyers.

18. All defaults or other obligations of the Selling Debtor Entities under the Pre-Petition Contracts arising or accruing prior to the Closing of the Sale (without giving effect to any acceleration clauses or any default provisions of the kind specified in section 365(b)(2) of the Bankruptcy Code) shall be cured by the Selling Debtor Entities at the Closing of the Sale or as soon thereafter as practicable, or absent an agreement as to the Cure Amount between the Selling Debtor Entities and the non-Debtor party to a Pre-Petition Contract, by order of this Court, and the Buyers shall have no liability or obligation arising or accruing prior to the date of

the Closing of the Sale, except as otherwise expressly provided in the Agreement. Each non-debtor party to any Pre-Petition Contract shall be deemed to have consented to the assumption and assignment of the Pre-Petition Contracts to the Buyers and shall be forever barred, estopped, and permanently enjoined from asserting against the Selling Debtor Entities or the Buyers, or the property of any of them, any default, breach, claim, pecuniary loss, or condition to assignment that exists, arises, or accrues as of the date of the Closing or any purported written or oral modification to the Pre-Petition Contracts. The failure of the Debtors or the Buyers to enforce prior to the Closing of the Sale one or more terms or conditions of any Pre-Petition Contracts shall not be a waiver of such terms or conditions, or of the Debtors' or the Buyers' rights to enforce every term and condition of any such Pre-Petition Contracts. There shall be no rent accelerations, assignment fees, increases (including advertising rates), or any other fees charged to the Buyers as a result of the assumption and assignment of the Pre-Petition Contracts.

19. Each non-Debtor party to a Pre-Petition Contract hereby is forever barred, estopped, and permanently enjoined from asserting against Sellers or the Buyers, or the property of either of them, any default, breach, claim, pecuniary loss, or condition to assignment existing, arising or accruing as of the Closing of the Sale.

Additional Provisions

20. The transactions contemplated by the Agreement, and the execution, delivery and/or recordation of any and all documents or instruments necessary or desirable to consummate the transactions contemplated by the Agreement shall be, and hereby are, exempt from the imposition and payment of all stamp taxes, or any other similar taxes pursuant to section 1146 of the Bankruptcy Code.

21. The consideration provided by the Buyers for the Purchased Assets under the Agreement is hereby deemed to constitute reasonably equivalent value and fair consideration under the Bankruptcy Code, the Uniform Fraudulent Conveyance Act, the Uniform Fraudulent Transfer Act, and under the laws of the United States, and any state, territory, or possession thereof, or the District of Columbia.

22. Upon the Closing of the Sale, this order shall be construed as and shall constitute for any and all purposes a full and complete general assignment, conveyance, and transfer of all of the Purchased Assets and the Assumed and Assigned Contracts or a bill of sale transferring good and marketable title in such Purchased Assets and the Assumed and Assigned Contracts to the Buyers pursuant to the terms of the Agreement.

23. Upon the Closing of the Sale, each of the Selling Debtor Entities' creditors is authorized and directed to execute such documents and take all other such actions as may be necessary to release their respective Interests and/or Claims against the Purchased Assets, if any, as such Interest and/or Claims may have been recorded or may otherwise exist.

24. Each and every federal, state, and governmental agency or department, and any other person or entity, is hereby directed to accept any and all documents and instruments necessary and appropriate to consummate the transactions contemplated by the Agreement.

25. All entities which are currently, or as of the Closing of the Sale may be, in possession of some or all of the Purchased Assets to be sold, transferred, or conveyed pursuant to the Agreement are hereby directed to surrender possession of the Purchased Assets to the Buyers upon the Closing of the Sale.

26. All persons holding Interests and/or Claims against or in the Selling Debtor Entities or the Purchased Assets of any kind or nature whatsoever shall be, and hereby are, forever barred, estopped, and permanently enjoined from asserting, prosecuting, or otherwise pursuing such Interests and/or Claims of any kind or nature whatsoever against the Buyers, their property, their successors and assigns, or the Purchased Assets with respect to any Interest or Claim of any kind or nature whatsoever which such person or entity had, has, or may have against or in the Selling Debtor Entities, their estates, their officers, their directors, their shareholders, or the Purchased Assets, including, without limitation, the following actions: (i) commencing or continuing in any manner any action or other Proceeding against the Buyers, their successors, assets, or properties; (ii) enforcing, attaching, collecting, or recovering in any manner any judgment, award, decree, or order against the Buyers, their successors, assets, or properties; (iii) creating, perfecting, or enforcing any lien or other Encumbrance against the Buyers, their successors, assets, or properties; (iv) asserting any setoff, right of subrogation, or recoupment of any kind against any obligation due the Buyers or their successors; (v) commencing or continuing any action, in any manner or place, that does not comply or is inconsistent with the provisions of this order or other orders of the Court, or the agreements or actions contemplated or taken in respect thereof; (vi) asserting that the Buyers are successors of the Selling Debtor Entities or the Business or have liability under any theory of successor liability for any Interest and/or Claim against or in the Business or the Purchased Assets of the Selling Debtor Entities; or (vii) revoking, terminating, or failing or refusing to renew any license, permit, or authorization to operate any of the Purchased Assets of the Selling Debtor Entities or conduct any of the businesses operated by the Purchased Assets of the Selling Debtor Entities. Following the Closing of the Sale, no holder of an Interest or Claim in or against the Selling

Debtor Entities shall interfere with the Buyers' title to or use and enjoyment of the Purchased Assets based on or related to such Interest or Claim, or any actions that the Selling Debtor Entities may take, or have taken, in their chapter 11 cases.

27. The transactions contemplated by the Agreement are undertaken by the Buyers in good faith, as that term is used in section 363(m) of the Bankruptcy Code, and accordingly, the reversal or modification on appeal of the authorization provided herein to consummate the sale of the Purchased Assets shall not affect the validity of the Sale to the Buyers, unless such authorization is duly stayed pending such appeal. The Buyers are purchasers in good faith of the Purchased Assets, and are entitled to all of the protections afforded by section 363(m) of the Bankruptcy Code.

28. The consideration provided by the Buyers for the Purchased Assets under the Agreement is fair and reasonable and the Sale may not be avoided under section 363(n) of the Bankruptcy Code.

29. No liens or Encumbrances shall attach to the Deposit Amount until released to Delphi.

3.2.1 On the Closing Date and subject to the terms and conditions of this Agreement, in consideration of the Sale, if the Preliminary Adjusted Purchase Price is a positive number, Buyer Parent, on behalf of Buyers, will pay to the Escrow Agent or Delphi pursuant to Section 8.4 herein, an amount equal to the Preliminary Adjusted Purchase Price. In the event that the Preliminary Adjusted Purchase Price is a negative number, Delphi, on behalf of Sellers, will pay the amount of such Preliminary Adjusted Purchase Price to the Escrow Agent or Buyer Parent pursuant to Section 8.3.1. The "**Preliminary Adjusted Purchase Price**" shall be calculated as follows:

3.2.1.3 minus Assumed Debt, as set forth on the Closing Statement (the "**Estimated Net Debt**"); and

3.2.1.4 plus \$47.0 million if the Proposed Joint Venture is formed at or before Closing.

3.2.2 On the fifth (5th) day before Closing, Delphi will prepare (or cause to be prepared) in good faith and deliver to Buyer Parent, a closing statement, containing a calculation of the Estimated Assumed Debt and Estimated Capped Cash (the “**Closing Statement**”).

3.3 **Preparation of Closing Adjusted Net Assets Statement.**

3.3.1 Within sixty (60) days after the Closing Date, Delphi will prepare and deliver to Buyer Parent the Closing Adjusted Net Assets Statement (ii) a statement specifying the actual amount of Capped Cash and the actual amount of Assumed Debt as of the Closing Date (the “**Closing Cash and Debt Statement**”), and (iii) a calculation of the NTD/POS Adjustment Amount as of the Closing Date (the “**Closing NTD/POS Statement**” and together with the Closing Adjusted Net Assets Statement and the Closing Cash and Debt Statement, the “**Delphi Statements**”). The Closing Adjusted Net Assets Statement and the Closing Cash and Debt Statement will be prepared on a combined basis in accordance with Schedule 3.3.1, applied on a basis consistent with the Historical Financial Statements and, except as set forth on Schedule 3.3.1, prepared in accordance with GAAP applied consistently with the December 31, 2006 balance sheet that is part of the Historical Financial Statements and on a basis consistent with, and reflecting, all adjustments reflected on the Benchmark Net Assets Amount and eliminating the effect of currency fluctuations since December 31, 2006. The Closing Adjusted Net Assets Statement will be based on a physical inventory of the Inventory, consistent with past practice, to be taken jointly by the Parties within fifteen (15) Business Days after the Closing Date. Each Party's out-of-pocket costs associated with such physical inventory count will be borne separately by such Party.

3.3.2 Buyer Parent will, within the longer of (i) sixty (60) days after the delivery by Delphi of the Delphi Statements and (ii) 120 days following the Closing (the “**Review Period**”), complete its review of such statement. Each party will, after Closing and pending agreement or final determination of the Delphi Statements, allow the other and its Affiliates and their accountants, agents and advisers such access to the Combined Business, all relevant employees and all relevant records, information and other documentation (and will, upon request, provide copies thereof) as is reasonably necessary to enable each party to prepare the Delphi Statements (or their review thereof), including access to and the services of key personnel of the Combined Business. If Buyer Parent disagrees with any portion of the Delphi Statements, Buyer Parent will, on or before the Review Period, inform Delphi in writing (the “**Objection**”) of disagreements. Any Objection will specify in reasonable detail the nature of any disagreement so asserted. If no such Objection has been timely provided to Delphi; then: (a) the Closing Adjusted Net Assets Statement will be deemed to be the Final Statement of Adjusted Net Assets; (b) the Closing Cash and Debt Statement will be deemed to be the Final Statement of Cash and Debt, and (c) the Closing NTD/POS Statement will be deemed to be the Final Statement of NTD/POS and (d) Delphi's calculations thereon will be final and binding on the Parties of all items therein.

3.3.3 Delphi will then have thirty (30) days following the date it receives the Objection to review and respond to the Objection. If Delphi and Buyer Parent are unable to resolve all of their disagreements with respect to the determination of the foregoing items by the fifteenth (15th) day following Delphi's response thereto, after having used their good faith efforts to reach a resolution, they will refer their remaining differences to an independent accounting

firm mutually acceptable to Buyer Parent and Delphi (the “**CPA Firm**”), who will, acting as experts in accounting and not as arbitrators, determine on a basis consistent with the requirements of Section 3.3, and only with respect to the specific relevant items remaining disputed, whether and to what extent, if any, the Delphi Statements requires adjustment. Delphi and Buyer Parent will request the CPA Firm to use its commercially reasonable efforts to render its determination within thirty (30) days. In resolving any disputed item, the CPA Firm: (i) will be bound by the principles set forth in this Section 3.3.3 and Schedule 3.3.1; (ii) will limit its review to matters specifically set forth in the Objection that remain disputed; and (iii) will not assign a value to any item greater than the greatest value for such item claimed by either Party or less than the smallest value for such item claimed by either Party. The CPA Firm's determination will be conclusive and binding upon Delphi and Buyer Parent. Delphi and Buyer Parent will make reasonably available to the CPA Firm all relevant books and records, any work papers (including those of the Parties' respective accountants subject to any conditions such accountants may impose) and supporting documentation relating to the Delphi Statements, and all other items reasonably requested by the CPA Firm. The “**Final Statement of Adjusted Net Assets**” will be: (i) the Closing Adjusted Net Assets Statement if the Parties so agree or if so determined in accordance with Section 3.3.2; or (ii) if an Objection is made under Section 3.3.2, the Closing Adjusted Net Assets Statement, as adjusted pursuant to the agreement of the Parties, or as adjusted by the CPA Firm. The “**Final Statement of Cash and Debt**” will be: (i) the Closing Cash and Debt Statement if the Parties so agree or if so determined in accordance with Section 3.3.2; or (ii) if an Objection is made under Section 3.3.2, the Closing Cash and Debt Statement, as adjusted pursuant to the agreement of the Parties, or as adjusted by the CPA Firm. The “**Final Statement of NTD/POS**” will be: (i) the Closing NTD/POS Statement if the Parties so agree or if so determined in accordance with Section 3.3.2; or (ii) if an Objection is made under Section 3.3.2, the Closing NTD/POS Statement, as adjusted pursuant to the agreement of the Parties, or as adjusted by the CPA Firm. The fees, costs and expenses of the CPA Firm under this Section 3.3.3: (i) will be borne by Buyer Parent in the proportion that the aggregate dollar amount of such disputed items so submitted that are unsuccessfully disputed by Buyer Parent (as finally determined by the CPA Firm) bears to the aggregate dollar amount of such items so submitted; and (ii) will be borne by Delphi in the proportion that the aggregate dollar amount of such disputed items so submitted that are successfully disputed by Buyer Parent (as finally determined by the CPA Firm) bears to the aggregate dollar amount of such items so submitted. Whether any dispute is resolved by agreement between the Parties or by the CPA Firm, changes to the Delphi Statements may be made only for items as to which Buyer Parent has taken exception in the Objection. Except as specifically set forth in this Section 3.3.3 with respect to the fees, costs and expense of the CPA Firm, each Party will bear its own expenses incurred in this dispute resolution process, including fees of its accountants, attorneys and other agents.

3.4 **Post Closing Purchase Price Adjustment.**

6.3.1 Concurrently with the filing of the Sale Motion, Delphi will, pursuant to a motion (which motion may be incorporated into the Sale Motion), move to assume and assign to Buyers the Pre-Petition Contracts, including those listed on Schedule 6.3, and assign the Post-Petition Contracts to Buyer (collectively, the “**Assumed and Assigned Contracts**”) and will provide notice thereof to the Contract counterparties and all other parties in accordance with all applicable Bankruptcy Rules as modified by orders of the Bankruptcy Court. Delphi shall pay

all Cure Amounts as agreed to by Delphi and the Contract counter-party, or, absent such agreement, by order of Bankruptcy Court in the time and manner specified by the Sale Approval Order. Such motion or subsequent notice shall identify the specific Cure Amount proposed for each Pre-Petition Contract and state that if not objected to by the objection deadline through a duly-filed pleading, such Cure Amount shall be the only cure required to assume such Contract pursuant to Section 365 of the Bankruptcy Code and/or assign it to Buyer and that such counter-party shall be barred and enjoined from asserting against Buyer, the Purchased Assets and Sellers that any additional defaults, breaches, or claims of pecuniary loss exists with respect to such Contract. Buyer shall have the ability to add or delete Contracts to Schedule 6.3 up and through the time of the Sale Hearing in its sole and absolute discretion so long as the appropriate notice is provided to the Contract counter-party and any delay in approval of the assignability of and Cure Amount for such additional Contracts shall not affect the Closing; and after the Sale Hearing and up to the time of the Closing, Buyer shall have the ability to add Contracts to Schedule 6.3 so long as the appropriate notice and time period for objection is provided to the Contract counter-party and any delay in approval of the assignability of and Cure Amount for such additional Contracts shall not affect the Closing. In the Sale Motion, Delphi shall provide for a mechanism reasonably satisfactory to Buyer to ensure that those Contracts to be assumed and assigned to Buyer at Closing are actually assigned to Buyer at Closing notwithstanding any contested Cure Amounts.

6.4 Non-Competition.

6.4.1 Delphi undertakes and agrees with Buyer Parent that for a period of four (4) years after the Closing Date, except with the consent of Buyer Parent, Delphi will not, and will procure that each Affiliate of Delphi will not, either on its own account or in conjunction with or on behalf of any person, firm or company, whether by sales, marketing or other activities, carry on or be engaged, whether as a shareholder, licensor of Intellectual Property, director, employee, partner or agent in carrying on any business which is engaged in the design, development, manufacture, remanufacture or sale of Products as carried on by the Business at the Closing Date (a “**Competitive Business**”); provided, however, that the restrictions contained in this Section 6.4.1 will not prohibit, in any way: (i) the acquisition of a controlling interest or merger with any Person, or a division or business unit thereof, which is not primarily engaged in a Competitive Business, provided that, Delphi will use commercially reasonable efforts to divest, as soon as practicable after such acquisition or merger, any portion of the business of such Person that constitutes a Competitive Business if the Competitive Business accounts for more than \$250,000,000 in annual sales; (ii) the acquisition by Delphi or any of its Affiliated companies, directly or indirectly, of a non-controlling ownership interest in any Person or a division or business unit thereof, or any other entity engaged in a Competitive Business, if the Competitive Business accounts for fifteen (15%) percent or less of the sales or fifteen (15%) percent or less of the value of the acquired business at the date of such acquisition (whichever is the greater); (iii) the acquisition by Delphi or any of its Affiliated companies, directly or indirectly, of less than five (5%) percent of the publicly traded stock of any Person engaged in a Competitive Business; (iv) provision of consulting services to, the license of any technology that Delphi or any Delphi Affiliate owns or has license to use to, or the financing (on its own behalf or on behalf of any other Person) of any Person for the purpose of designing or manufacturing on behalf of Delphi or any Delphi Affiliate or selling to Delphi or any Delphi Affiliate components and parts for automotive applications, other than the current or future Products; (v) consistent

6.4.2 In the event that the covenants contained in Section 6.4.1 are more restrictive than permitted by Law, the Parties agree that the covenants contained in Section 6.4.1 will be enforceable and enforced to the extent permitted by Law.

6.4.3 **Option.**

A. If, within four (4) years after the Closing Date, Delphi acquires a Competitive Business whose annual sales are in excess of the limits established in Section 6.4.1 clause (i) above, Delphi will use commercially reasonable efforts to divest, as soon as practicable after such acquisition or merger, any portion of the Business of such Person that constitutes a Competitive Business (an “**After-Acquired Business**”). In the case of such acquisition, Delphi promptly will grant to Buyer Parent an option to acquire the portion of the After-Acquired Business which engages in the Competitive Business (the “**Restricted Portion**”) at a price and upon such other terms and conditions to be agreed upon by Delphi and Buyer Parent, taking into account prevailing market conditions.

B. With respect to the option provided for in Section 6.4.3.A, Delphi shall give written notice to Buyer Parent of such option within thirty (30) days after the acquisition of the After-Acquired Business (the “**Option Notice**”). Within thirty (30) days after Buyer Parent's receipt of the Option Notice, Buyer Parent shall notify Delphi in writing whether it exercises such option. If Buyer Parent exercises the option, Delphi and Buyer Parent shall use their good faith efforts to negotiate the price of Buyer Parent's purchase of the Restricted Portion. If, within thirty (30) days after Buyer Parent exercises such option, Buyer Parent and Delphi are unable to agree on the purchase price for the Restricted Portion of the After-Acquired Business, or if Buyer Parent declines to exercise the option of to acquire the Restricted Portion of the After-Acquired Business, then within fifteen (15) days thereafter, Delphi or its Subsidiary shall initiate preparations to conduct an “auction” of the Restricted Portion of the After-Acquired Business. Delphi or its Subsidiary shall be obligated to use commercially reasonable efforts complete the auction within six (6) months after the date that Delphi or its Subsidiary becomes obligated to conduct an auction. Such a sale shall be conducted by Delphi or its Subsidiary consistent with prevailing market practices for the so-called “auction” of a business. Buyer Parent shall be invited to participate in such auction, but shall not be obligated to do so.

6.5 Tax Matters; Cooperation; Preparation of Returns; Tax Elections.

6.5.1 Asset Sellers will be responsible for the preparation and filing of all Tax Returns of Asset Sellers for all tax periods ending on or prior to the Closing, including without limitation amended returns, applications for loss carryback refunds and applications for estimated tax refunds. Buyers will make available to Delphi during normal business hours (and to Delphi's accountants and attorneys) any and all books and records and other documents and information in its possession or control reasonably requested by Delphi to prepare these Tax Returns. Delphi will be responsible for and will make all payments required with respect to any such Tax Returns.

6.5.2 For Sale Companies and JV Companies, Delphi will be responsible for the preparation and filing of all Tax Returns for all tax periods that are due on or prior to the Closing, including without limitation amended returns, applications for loss carryback refunds and applications for estimated tax refunds.

6.5.3 For Sale Companies and JV Companies, Buyers will be responsible for the preparation and filing of all Tax Returns for all periods that are due after the Closing (other than for Taxes with respect to periods for which the consolidated, unitary and combined Tax Returns of Delphi will include the operations of the Business). For Sale Companies only, Buyer Parent will make all payments required with respect to any such Tax Return and shall be entitled to reimbursement from Sellers for the pre-Closing portion of such Taxes to the extent such Taxes were not already paid or otherwise reflected in the Closing Adjusted Net Assets Statement.

6.5.4 Sellers shall indemnify Buyers for any and all Taxes of the Sale Companies relating to periods ending on or prior to the Closing Date to the extent not provided for in the Closing Adjusted Net Assets Statement. Any indemnification pursuant to this Section 6.5.4 with respect to Delphi Polska Automotive Systems Sp. for any taxable year for Taxes shall be indemnified only to the extent such Taxes exceed the "tax benefit" (defined below) recognized by Delphi Polska Automotive Systems Sp. with respect to such taxable year. For purposes of this Section 6.5.4, Delphi Polska Automotive Systems Sp. shall be deemed to recognize a tax benefit with respect to a taxable year if, and to the extent that, Delphi Polska Automotive Systems Sp.'s cumulative liability for Taxes through the end of such taxable year, calculated excluding any Tax items attributable to Tax losses and credit carryforwards existing on the Closing Date exceeds Delphi Polska Automotive Systems Sp.'s actual cumulative liability for Taxes through the end of such taxable year, calculated by taking into account any tax items attributable to the Tax losses and credit carryforwards existing on the Closing Date (to the extent permitted by relevant Tax law, and treating such Tax items as the last items claimed for any taxable year) provided, however, that if a tax benefit is subsequently reduced or eliminated due to a determination by a taxing authority that the Tax losses or credit carryforwards were not available in any particular year to offset a Tax of Delphi Polska Automotive Systems Sp., Sellers shall indemnify Buyer for the amount of any Taxes that would have been indemnified pursuant to this Section 6.5.4, by calculating the indemnification obligation amount (if any) based on the reduction or elimination of the tax benefits.

6.5.5 The Sellers and the Buyers will use commercially reasonable efforts and cooperate in good faith to exempt the sale, conveyance, assignments, transfers and deliveries to

be made to the Buyers hereunder from any transfer, documentary, sales, use, registration, recording, stamp, value-added and other such taxes (including all applicable real estate transfer taxes, but excluding any taxes based on or attributable to income or gains) and related fees (including notarial fees as well as any penalties, interest and additions to tax) ("**Transfer Taxes**") payable in connection with such sale, conveyance, assignments, transfers and, deliveries, to the extent provided in the Sale Approval Order, in accordance with Section 1146 of the Bankruptcy Code. If Bankruptcy Court approval is granted for such exemption, then any instrument transferring the Purchased Assets to the Buyers will contain the following or similar endorsement:

Because this [instrument] has been authorized pursuant to Order of the United States Bankruptcy Court for the Southern District of New York relating to a chapter 11 plan of [Seller], it is exempt from transfer taxes, stamp taxes, or similar taxes pursuant to 11 U.S.C. § 1146.

To the extent not exempt under Section 1146 of the Bankruptcy Code and approved in the Sale Approval Order, such Transfer Taxes arising out of or incurred in connection with this Agreement will be borne by the party upon whom the applicable law regulation or custom of the jurisdiction imposes the obligation to pay or, where no law, regulation or custom exists shall be paid by the Buyer. The party that is legally required to file a Tax Return relating to Transfer Taxes will be responsible for preparing and timely filing such Tax Return.

6.5.6 Delphi and Buyer Parent will cooperate in connection with: (i) the preparation and filing of any Tax Return, Tax election, Tax consent or certification or any claim for a Tax refund; (ii) any determination of liability for Taxes; and (iii) any audit, examination or other proceeding in respect of Taxes related to the Business or the Acquired Assets. Such cooperation includes direct access to accounting and finance personnel.

6.5.7 Sellers will, in their sole discretion, cooperate in good faith with Buyers and Buyers' agents to minimize any US federal and state payroll tax liabilities that either party may bear, including that the payroll taxes of the U.S. Transferred Employees will be treated in accordance with the Alternate Procedure set forth in Section 5 of the Revenue Procedure 2004-53.

6.5.8 Sellers will provide Buyers with such certifications as are necessary to exempt all payments made hereunder from withholding under Internal Revenue Code Section 1445.

6.5.9 Buyer Parent will not make any election under Internal Revenue Code Section 338 for any Sale Company or JV Company without the written consent of the Securities Sellers.

6.5.10 Sellers will assign to Buyers, and will cooperate with Buyers to obtain any necessary approvals or consents to affect such assignment, any and all interests in, or rights to, any property tax abatements, incentive agreements, or other similar arrangements with any taxing authority primarily related to the Business or the Acquired Assets to the extent allowed under applicable law; provided, however, that Buyers shall pay to Sellers promptly upon

receiving such credit (the "Brownfield Tax Credit Amount") an amount equal to (i) the amount of any credits attributable to the Steering Buena Vista Brownfield Tax Credit Agreement for Project number M-0505 that are received and utilized by Buyers to offset their tax liability under the Michigan Single Business Tax (or any successor tax) for any taxable period ending after the Closing Date, multiplied by (ii) a fraction, the numerator of which is the qualified expenditures made by Sellers pursuant to the Steering Buena Vista Brownfield Tax Credit Agreement for Project number M-0505 prior to the Closing Date, and the denominator of which is the total amount of all qualified expenditures made pursuant to the Steering Buena Vista Brownfield Tax Credit Agreement for Project number M-0505. The amount of expenditures made by Sellers prior to the Closing Date will be determined based on verifiable documentation provided by Seller. Seller and Buyer agree to treat any payments made pursuant to this Section 6.5.10 as adjustments to the Purchase Price for all Tax purposes.

6.6 **Employees; Benefit Plans; Labor Matters.** Seller and Buyer will collectively update Schedule 4.11.1 as of the day prior to Closing.

6.6.1 **Transferred Non-U.S. Employees.** Effective as of the Closing, the relevant Buyer will assume the employment Contracts and all related obligations of any Non-U.S. Employees if and to the extent required by applicable Transfer Regulations or the applicable Transfer Agreement, and will take all necessary steps to assume the employment and related obligations of all employees employed by the Sale Companies immediately prior to Closing. In addition, the Parties will use commercially reasonable efforts to cause any employment Contracts and/or continued employment (as applicable) of Non-U.S. Employees whose Contracts or continued employment (as applicable) do not transfer by their reporting to work, by operation of Law (including a Transfer Regulation), by operation of this Agreement or otherwise to be novated from the relevant Asset Seller or other Seller-Affiliated employer to the relevant Buyer or other Buyer-Affiliated employer in accordance with the terms of the applicable Transfer Agreement.

6.6.2 **Transferred U.S. Employees.**

A. Effective as of the Closing, the relevant Buyer will offer employment to all U.S. Employees, including employees on layoff. U.S. Employees who accept Buyers' offer of employment (by reporting to work or otherwise) will be referred to as Transferred U.S. Employees.

B. For all Transferred U.S. Employees designated as U.S. Salaried Employees, Buyers' offer of employment will be on terms that provide salary and benefit packages substantially comparable in the aggregate to those in place at Sellers immediately prior to Closing. Prior to tendering such offers, Buyers will provide Sellers with information sufficient to satisfy Sellers that such offers meet the "substantially comparable in the aggregate" requirement. Sellers' satisfaction that Buyers' offers meet this requirement will not be unreasonably withheld. For all Transferred U.S. Salaried Employees, Buyers will maintain the requisite level of compensation and benefits for a minimum of one (1) year from the Closing Date; provided, however, that, where the level of compensation or benefits of any such employees is governed by a Contract containing a different duration period, Buyers will abide by the terms of such Contract; and provided further that Buyers are permitted (but not required to)

reduce or otherwise modify the employment terms and conditions of the Transferred U.S. Salaried Employees consistent with any across-the-board modifications made by Sellers to the terms and conditions of similarly-situated salaried employees at Sellers during the one (1)-year period following the Closing Date.

(1) Nothing in this Agreement, including but not limited to the one (1) year requirement referenced immediately above in this Section 6.6.2.B, will limit the ability of Buyer to terminate the employment of any Transferred U.S. Salaried Employee at any time following the Closing and for any reason, including with cause.

(2) Notwithstanding Buyer's rights under Section 6.6.2.B.1, to the extent that Buyer separates any Transferred U.S. Salaried Employee during the one (1) year period following the Closing Date under circumstances that would render the Transferred U.S. Salaried Employee eligible for severance benefits had such separation occurred at Sellers, Buyers will provide such separated Transferred U. S. Salaried Employees the greater of (a) the severance benefits provided for under the terms of Sellers' severance plan applicable at Closing, taking into account the Transferred U.S. Salaried Employee's combined Seller and Buyer service in accordance with Section 6.6.5.F or (b) the severance benefits under any applicable Buyers' severance plan or policy.

C. Terms and conditions of unionized Transferred U.S. Employees designated as U.S. Hourly Employees will be as determined by applicable Collective Bargaining Agreements.

6.6.3 Miscellaneous Transferred Employee Covenants.

A. Sellers will retain responsibility for all Liabilities for workers' compensation benefits related to injuries or illnesses incurred by Transferred Asset Seller Employees prior to the Closing, provided that claims for such Liabilities are filed within six (6) months of the date on which such employee becomes a Transferred Asset Seller Employee.

B. Sellers will be responsible for and shall pay to each Transferred Employee, subject to applicable Bankruptcy Court approvals, at the later of Closing or when such payments are to be made to Seller's respective U.S. or Non-U.S. Employees, any profit sharing or incentive compensation (including bonuses) due such Transferred Employees for the calendar year in which the Closing occurs on a pro-rata basis using the number of days worked by the Transferred Employees for Sellers.

C. Buyers will assume and be responsible for all accrued and unutilized vacation pay with respect to the Transferred Employees and all such Liabilities shall be reflected in the Closing Statement of Adjusted Net Assets.

6.6.4 **Collective Bargaining Agreements.** Buyers will assume the terms and conditions of all of the Collective Bargaining Agreements, as modified in the case of Sellers' U.S. Collective Bargaining Agreements by: (i) any Bankruptcy Court Proceedings, including but not limited to, Sellers' motions under Section 1113 and 1114 of the Bankruptcy Code; (ii) any consensual agreement reached between Sellers and the UAW; (iii) an approved plan of reorganization in connection with the Bankruptcy Cases; or (iv) the Effects MOU. The Parties agree that, to the maximum extent possible, this Agreement will be interpreted in a manner consistent with the Effects MOU, however, if any provision of the Effects MOU is inconsistent with the terms of this Agreement, the provisions of the Effects MOU will govern. Buyers will recognize the seniority status of all Transferred Asset Seller Employees who are employed in accordance with a Collective Bargaining Agreement for all purposes of continued employment with Buyers.

6.6.5 **Inactive U.S. Employees.**

A. U.S. Employees who are not active employees as of the Closing ("Inactive Employees") due to e.g., illness, short-term disability, sick leave, family medical leave, or other approved leave of absence will remain Seller's responsibility until such employee commences employment with Buyer. U.S. Employees on layoff status are not Inactive Employees for purposes of this Agreement.

B. When an Inactive Employee is able to return to active status in accordance with Sellers' leave policies, and provided that such return occurs within twelve (12) months of the Closing unless such Inactive Employee's reinstatement thereafter is otherwise required by Law, Buyer must offer employment to such individual in accordance with Section 6.6.2 and, provided such individual accepts Buyers' offer of employment, such individual will be considered a Transferred U.S. Employee as of such date. Buyer shall have no liability for any Inactive Employee until the date such employee becomes a Transferred U.S. Employee.

6.6.6 **Employee Benefit Plans.**

A. The applicable Buyers will assume (or cause the Sale Companies to retain) all accrued pension liabilities and assets for all Transferred Non U.S. Employees and all current and former employees of the Sales Companies. The parties will comply with the specific mechanism for transfer of applicable pension liabilities and assets as specifically set out in the relevant Transfer Agreement.

B. Seller will retain all assets and Liabilities under the Seller Employee Benefit Plans that are "employee benefit pension plans" as defined in Section 3(2) of ERISA for the benefits accrued prior to Closing for any Transferred U.S. Employees. Subject to Buyers obligations under the Seller U.S. CBAs to be assumed pursuant to Section 6.6.4 and Section 6.6.3.C under which Buyer may be obligated to establish defined benefit plans, nothing contained in this Agreement requires Buyers to establish a defined benefit plan with respect to any Transferred U.S. Employees.

C. Sellers will retain responsibility and liability for retiree welfare benefits (including, but not limited to, medical, dental and life insurance benefits) to any Transferred U.S. Salaried Employee who is eligible for such benefits and retirement eligible as of the Closing in accordance with the applicable Seller Employee Benefit Plans. Buyers will assume the retiree welfare benefit obligations of Sellers (including, but not limited to, medical, dental and life insurance benefits) for all other Transferred U.S. Salaried Employees (i.e., Transferred U.S. Salaried Employees hired by Sellers prior to January 1, 1993 who are eligible for future retiree welfare benefits under the existing terms of the applicable Seller Employee Benefit Plans).

D. Transferred U.S. Employees' and their dependents' and beneficiaries' active participation in and eligibility for benefits under the Seller Employee Benefit Plans (other than vested pension benefits) will cease after the expiration of transition services, subject to the terms of the Transition Services Agreement. Notwithstanding the preceding sentence, the Seller Employee Benefit Plans which are "employee benefit welfare plans" as defined under Section 3(1) of ERISA will retain liability for all claims incurred at any time under the terms of such plans prior to Closing. A claim will be deemed incurred:

(1) on the date of the occurrence of death or dismemberment in the case of claims under life insurance and accidental death and dismemberment Seller Employee Benefit Plans;

(2) on the date on which the service or treatment is provided in the case of claims under medical, hospital, dental and similar Seller Employee Benefit Plans; or

F. Buyer will recognize a Transferred Asset Seller Employee's pre-Closing credited and length of service with Seller for eligibility and vesting purposes but, subject to the requirements of Section 6.6.6.A with respect to the Transferred Non-U.S. Employees, not benefit accrual purposes with respect to any Buyer Employee Benefit Plans. Subject to applicable Law, Seller will recognize a Transferred U.S. Employee's post-Closing service with Buyer (and its Affiliates that are within Buyer's Controlled Group as defined under ERISA and the Code) for purposes of pension vesting, eligibility and early retirement subsidies. However, in no case will credited or length of service be recognized under this provision if such recognition will cause a duplication of compensation or benefits as between Seller and Buyer.

6.6.7 **Severance**. Buyers will assume all obligations and liabilities relating to any claims for severance or termination (actual or constructive) payments or benefits by Transferred Employees arising from (i) the transactions contemplated under this Agreement (to the extent such agreements and arrangements are set forth or generally described on Schedule 6.6.7) or (ii) any actions taken by Buyers after the Closing, including terminating or reducing the compensation of any Transferred Employees after the Closing.

6.6.8 **COBRA**. Seller will retain all obligations relating to compliance with the continuation health care coverage requirements of IRC Section 4980B and Sections 601 through 608 of ERISA regarding qualifying events in regard to Transferred U.S. Employees arising from the transactions contemplated under this Agreement.

6.6.9 **WARN Act**. Buyers will assume all obligations and liabilities, if any, relating to the Worker Adjustment and Retraining Notification Act and any similar applicable foreign, state or local law, regulation or ordinance (collectively, the “**WARN Act**”), if any, by Transferred Asset Seller Employees arising on or after the Closing Date of the transactions contemplated under this Agreement; provided, however, that on or before the Closing Date Sellers shall provide Buyer with a list of employee layoffs, by location, implemented by Sellers in the 90-day period preceding the Closing Date. Sellers will retain all other obligations and liabilities relating to the WARN Act for layoffs implemented by Sellers prior to the Closing Date of the transactions contemplated under this Agreement; provided, however, that in no event shall Seller be responsible for any WARN Act liabilities arising in whole or in part due to layoffs implemented by Buyers after the Closing.

6.6.10 **Grievances**. Seller will retain responsibility to administer and all liability for labor grievances and arbitration proceedings (collectively the “**Grievances**”) involving claims of Transferred Asset Seller Employees based on events occurring prior to the Closing, if filed within ninety (90) days after Closing. Buyer will timely notify Seller of any Grievances filed after the Closing which relate to claims based on events occurring prior to the Closing. Buyer will be responsible to administer and bear all liability for Grievances involving claims based on events occurring on or after the Closing. To the extent the administration or resolution of any Grievances requires both the Buyer’s and Seller’s participation, the following apply:

- A. Buyers and Sellers will cooperate in the defense of the Grievances.
- B. Buyer will not settle any Grievance without Sellers’ consent if such settlement will result in Liability for Sellers. Such consent will not be unreasonably withheld.
- C. Sellers will not settle any Grievance without Buyers’ consent if such settlement will result in Liability for Buyer. Such consent will not be unreasonably withheld.
- D. If the seniority of an employee is reinstated as a result of the disposition of a Grievance or Governmental Order, Buyers will reinstate the employee as if such employee had been a Transferred Asset Seller Employee as of the Closing.
- E. For Transferred Asset Seller Employees who have been continuously employed, back pay Liability to the extent relating to an event, occurrence or cause

of action arising prior to the Closing will be allocated to Sellers. Liability relating to an event, occurrence or cause of action arising subsequent to the Closing will be allocated to Buyers.

F. The Parties will discuss treatment of Grievances involving unusual circumstances or events that continue before and after the Closing.

G. If either party withholds consent to a settlement or processing of a Grievance recommended by the other party or elects to continue to defend the Grievance, then such party will be liable for the portion of the Liabilities resulting from the ultimate disposition of such Grievance (or subsequent settlement) which is in excess of the liability that would have resulted from the settlement recommended and rejected.

6.6.11 **Cooperation.** Sellers and Buyers will provide each other with such records and information as may be reasonably necessary, appropriate and permitted under applicable Law to carry out their obligations under this Section 6.6.

6.6.12 **Union and Works Council Notifications.** Sellers and Buyers will reasonably cooperate in connection with any notification required by Law to, or any required consultation with, or the provision of documents and information to, the employees, employee representatives, work councils, unions, labor boards and relevant government agencies and governmental officials concerning the transactions contemplated by this Agreement.

6.6.13 **No Third Party Rights.** Nothing in this Section 6.6 and its subparts, express or implied, shall create a third party beneficiary relationship or otherwise confer any benefit, entitlement, or right upon any person or entity other than the parties hereto or serve to amend or create any employee benefit plan or arrangement.

6.6.14 **Sale Company Employees.** If reasonably requested by Delphi, the Buyers will, or will cause the Sale Companies to, take any and all reasonable actions necessary or appropriate to confirm assumption of all Liabilities assumed hereunder or under any Transfer Agreement in respect of employees (both current and former) of the Sale Companies.

6.7 **Contact with Customers and Suppliers.** For purposes of Buyers' transition efforts, Sellers shall provide Buyers or their representatives upon reasonable notice and so long as such access does not unreasonably interfere with the business operations of any Seller or Sale Company, reasonable access during normal business hours to the employees, facilities, and books of the Business. Buyers shall not communicate with customers and suppliers of the Business without the prior consent of Delphi, which consent shall not unreasonably be withheld or delayed. The rights of access granted pursuant to this Section 6.7 shall not include environmental testing of the Real Property.

6.8 **Technical Documentation.** Sellers have delivered, or will deliver on or before the Closing, to the Buyer, a copy of all Technical Documentation included in the Acquired Assets. For a period of not less than ten (10) years commencing at the Closing, Buyers will use reasonable efforts to maintain all Technical Documentation applicable to Product design, test, release and validation at a location at which it will be reasonably accessible to Delphi upon request. During such ten (10) year period, Buyers will not destroy or give up possession of the final copy of such Technical Documentation without offering Delphi the opportunity to obtain a

copy of such documentation at Delphi's expense but without any payment to Buyers. The use of this Technical Documentation is subject to the limitations of Section 6.11.2.

6.9 **Books and Records and Litigation Assistance From and After**

Closing.

6.9.1 Buyers will preserve and keep all books, records, computer files, software programs and any data processing files delivered to Buyers by Seller and its Affiliates pursuant to the provisions of this Agreement for a period of not less than five (5) years from the Closing Date, or for any longer period as may be required by any Law, Governmental Entity Order or in connection with any ongoing litigation, audit or appeal of Taxes, or Tax examination, at Buyers' sole cost and expense. During such period, Buyers will: (i) provide Sellers with such documents and information as necessary, consistent with past practice, to complete the accounting books and records of each facility included within the Business; and (ii) make such books and records available to Seller and its Affiliates as may be reasonably required by Seller and its Affiliates in connection with any Proceedings against or governmental investigations of Sellers and their Affiliates or in connection with any Tax examination, audit or appeal of Taxes of Sellers and their Affiliates, the Business or the Acquired Assets. Sellers or their Affiliates will reimburse Buyers for the reasonable out-of-pocket expenses incurred in connection with any request by Sellers to make available records pursuant to the foregoing sentence. In the event Buyers wish to destroy or dispose of such books and records after five (5) years from the Closing Date, it will first give not less than ninety (90) days' prior written notice to Seller, and Seller will have the right, at its option, upon prior written notice given to Buyers within sixty (60) days of receipt of Buyers' notice, to take possession of said records within ninety (90) days after the date of Buyer's notice to Sellers' hereunder.

6.9.2 Sellers will preserve and keep all books, records, computer files, software programs and any data processing files relating to the Business in accordance with Seller's record retention plans, or for any longer period as may be required by any Law, Governmental Entity Order or in connection with any ongoing litigation, audit or appeal of Taxes, or Tax examination, at Sellers' sole cost and expense. During such period, Sellers will: (i) provide Buyers with such documents and information as necessary, consistent with past practice, to complete the accounting books and records of each facility included within the Business; and (ii) make such books and records available to Buyers and their Affiliates as may be reasonably required by Buyers and their Affiliates in connection with any Proceedings against or governmental investigations of Buyers and their Affiliates or in connection with any Tax examination, audit or appeal of Taxes of Buyers and their Affiliates, the Business or the Acquired Assets. Buyers or their Affiliates will reimburse Sellers for the reasonable out-of-pocket expenses incurred in connection with any request by Buyers to make available records pursuant to the foregoing sentence.

6.9.3 Each Party will, from time to time, at the reasonable request of the other (the "**Requesting Party**"), cooperate in providing the Requesting Party and their Affiliates (as appropriate) (to the extent possible through Transferred Employees) with technical assistance and the information described in the last sentence of this Section 6.9.3 in respect of any claims brought against the Requesting Party and their Affiliates involving the conduct of the Business prior to Closing, including consultation and/or the appearance(s) of such persons on a reasonable

basis as expert or fact witnesses in trials or administrative proceedings. The Requesting Party will reimburse, indemnify and hold harmless the other party and its Affiliates for their reasonable, actual direct out-of-pocket costs (travel, employee time (other than for clerical services), hotels, etc.) of providing such services and reasonable attorney's fees and costs associated therewith. In particular, the Parties, for themselves and on behalf of their Affiliates, agree to, at the Requesting Party's sole cost: (i) retain all documents required to be maintained by Law and all documents that may reasonably be required to establish due care or to otherwise assist a Party or its Affiliates in pursuing, contesting, or defending such claims, (ii) make available their documents and records in connection with any pursuit, contest or defense, including documents that may be considered to be "confidential" or subject to trade secret protection (except that: (a) no documents or records protected by any privilege in favor of such Party and their Affiliates must be made available if making these documents or records available would cause the loss of this privilege (in any case, however, the Party must notify the Requesting Party of the existence of such privileged documents); and (b) the Requesting Party and their Affiliates will agree to keep confidential documents and records that are confidential or are subject to trade secret protection); (iii) promptly respond to discovery requests in connection with such claim understanding and acknowledging that the requirements of discovery in connection with litigation require timely responses to interrogatories, requests to produce and depositions and also understanding and acknowledging that any delays in connection with responses to discovery may result in sanctions; (iv) make available, as may be reasonably necessary and upon reasonable advance notice and for reasonable periods so as not to interfere materially with Buyers' business, mutually acceptable engineers, technicians or other knowledgeable individuals to assist Requesting Party and their Affiliates in connection with such claim, including investigation into claims and occurrences described in this Section and preparing for and giving factual and expert testimony at depositions, court proceedings, inquiries, hearings and trial; and (v) make available facilities and exemplar parts for the sole and limited use of assisting the Requesting Party and their Affiliates in the contest or defense.

6.10 **Corporate Names.** Buyers will have the right (including the right to authorize its relevant Affiliates) to continue to sell or dispose of any existing inventories or service materials of the Business in existence at the Closing and bearing any trademark, service mark, trade name or related corporate name of Delphi or any Affiliate of Delphi for a period of no more than one hundred and twenty (120) days after the Closing Date in a manner consistent with past practice of the Business and the name and reputation associated therewith, provided that Buyers and their Affiliates will clearly indicate on all written materials related to such sale or disposition, including business cards, stationery, purchase orders, invoices and the like, that the Business is owned by Buyers and their Affiliates and is no longer affiliated with, and Buyer and its Affiliates do not represent, the Sellers or any Affiliate of Seller.

6.10.1 Buyers will promptly, and in any event within one hundred and twenty (120) days of the Closing Date (the "**Corporate Trademark Use Period**"), cease all use and will not permit will cause the Sale Companies and the Business to cease all use, of the name "Delphi" and any trademarks, trade names, brandmarks, brand names, trade dress or logos relating or confusingly similar thereto (including on any signs, billboards, advertising materials, telephone listings, labels, stationery, office forms, packaging or other materials of the Sale Companies) in connection with the businesses of the Sale Companies or otherwise.

6.10.2 Immediately following the Closing, Buyers will cause each of the Sale Companies, and will use commercially reasonable efforts to cause each JV Company, to amend its certificate of incorporation, partnership agreement, limited liability company agreement and other applicable documents, in order to change the names of such companies to a name not containing the word “Delphi”, with such changes to take effect pursuant to the terms of the respective transfer deed governing the sale of each Sale Company and JV Company. Buyers will make all required filings with Governmental Authorities to effect such amendments. If any preceding change is not permissible by law or commercially reasonable within such Corporate Trademark Use Period, the Sale Companies or JV Company shall operate under a “d/b/a” or other similar business name.

6.10.3 If Seller believes that Buyer has breached or failed to perform in any material respect any of Buyer’s obligations contained in Sections 6.10.1 and 6.10.2, Seller shall provide Buyer with written notice of the alleged breach. Seller’s rights to remedy for Buyer’s breach of its obligations under Sections 6.10.1 and 6.10.2 shall be exercisable only if Buyer has failed to cure such breach with thirty (30) days after written notice thereof. Each of the Parties hereto acknowledges and agrees that the remedy at Law for any material breach of the requirements of this Section 6.10 would be inadequate, and agrees and consents that without intending to limit any additional remedies that may be available, temporary and permanent injunctive and other equitable relief may be granted without proof of actual damage or inadequacy of legal remedy in any Proceeding which may be brought to enforce any of the provisions of this Section 6.10.

6.10.4 Nothing herein shall prevent or limit the rights of Buyers to use the name “Saginaw Steering.”

6.11 Information Technology; Intellectual Property Rights and Licenses.

6.11.1 **License to Buyers.** Delphi hereby grants, on behalf of itself and its Affiliates, to Buyers, as of the Closing Date, but subject to any restrictions arising from rights granted to third parties prior to the Closing Date, a worldwide, perpetual, paid-up, royalty free, non-exclusive license to the Shared Intellectual Property (other than the Excepted Shared Intellectual Property identified on Schedule 6.11.1) only for the use, development, manufacture (including the right to have made), import, export and sale of current and future Products and associated services. With respect to copyrighted material such as Software, such license includes the right to reproduce, prepare derivative works of, perform, display and distribute such material. The license granted to Buyer under this Section 6.11.1 does not extend to the Excluded Products identified on Schedule 6.11.1.A and is not assignable in whole or in part except as provided in Section 12.5.

6.11.2 **License to Sellers.** Buyer, on behalf of itself and its Affiliates, hereby grants to Sellers and their Affiliates, as of the Closing Date, a worldwide, perpetual, paid-up, royalty free, non-exclusive license only for the use, development, manufacture (including the right to have made), import, export and sale of products and services of the type provided by Sellers and their Affiliates as of the Closing Date (excluding the Products) using any Purchased Intellectual Property (other than steering algorithms), subject to any restrictions arising from

rights granted to third parties prior to the Closing Date. Such license is not assignable in whole or in part except as provided in Section 12.5.

6.11.3 **Further Understandings.** It is further understood and agreed that the licenses granted above in this Section 6.11: (i) include the right for the licensed party to sub-license without the consent of the other party (x) to an Affiliate or (y) in connection with a divestiture of part of the Business (in the case of Buyer) or part of the retained Delphi business (in the case of Sellers) or in either case, divestiture of a product line; and (ii) do not include any right to use any Trademark Rights. It is further understood and agreed that the Parties will cooperate in enforcing the Shared Intellectual Property upon one party's request and the requesting party's payment of reasonable expenses.

6.11.5 **Transfer of Proportional Share of Licenses.** For those Shared Software Licenses set forth on Schedule 6.11.5, Sellers shall transfer to Buyers the number of license seats or other license rights specified for each applicable license. For any Shared Software Licenses not set forth on Schedule 6.11.5, Sellers shall transfer to the applicable Buyers a proportional share of license seats or other license rights or the number of license seats currently used in the Business for those Shared Software Licenses, but Sellers shall not transfer a proportional share of license seats or other license rights for Corporate Shared Services Licenses. For clarity, Sellers shall also transfer to the applicable Buyers all Software licenses primarily used in the Business. If Sellers are unable to obtain by the Closing any necessary consents to assign to Buyers any such Shared Software Licenses or Software licenses primarily used in the Business (other than Corporate Shared Services Licenses), then, notwithstanding Section 2.4, at Buyers' reasonable request, Sellers shall arrange for Buyers to obtain such licenses from the applicable Third Party Licensors. Buyer shall be responsible for and pay reasonable costs up to \$500,000 for obtaining necessary consents or replacement licenses for any Shared Software Licenses or software licenses primarily used in the Business, and Sellers shall be responsible for all reasonable costs that exceed \$500,000. Sellers shall be responsible for any obligations under any Shared Software Licenses or Software licenses primarily used in the Business that arise prior to the Closing Date, including, for example, maintenance payments or other fees due to applicable Third Party Licensors. After the Closing Date, Buyer acknowledges that it shall be responsible for the costs of obtaining and making payments under any post-Closing maintenance agreements required in order to use the foregoing license rights and such costs shall not be applied to the \$500,000 deductible.

6.11.6 **Corporate Shared Services Licenses.** Sellers shall not be obligated to transfer to the applicable Buyers any license seats or other license rights for Corporate Shared Services Licenses, including any such licenses currently used for the benefit of the Business except that Sellers shall purchase or transfer Replacement Licenses and Buyers shall reimburse Sellers for the reasonable costs of such Replacement Licenses up to \$1.5 million.

6.11.7 **Outsourced Services Providers.** Sellers shall cooperate with Buyers with respect to Buyers entering into new agreements with Sellers' outsourced service providers, including Electronic Data Systems Corporation, EDS Information Systems, LLC and its affiliates (collectively, "**EDS**"), Computer Sciences Corporation and its affiliates (collectively, "**CSC**"), and the Hewlett Packard Company and its affiliates (collectively, "**HP**"). Sellers shall also perform their obligations and exercise their rights under the Agreement to Migrate DMA to MSA between EDS and Delphi Corporation dated effective December 6, 2007 with such migration to occur by January 31, 2008.

Buyers acknowledge and agree that it is necessary to promptly begin the work necessary to relocate from certain of the Technical Centers in accordance with the Facilities Separation Plan. The parties shall reasonably cooperate with each other to implement such activities and separation in an effort to complete the activities contemplated by this Section 6.11.8 in a reasonable, expeditious and cost-effective manner.

6.12 **Letters of Credit.** Buyers agree to use commercially reasonable efforts to cause Delphi and its Affiliates (other than the Sale Companies) to be absolutely and unconditionally relieved ninety (90) days following the Closing of all Liabilities and obligations arising out of the letters of credit, performance bonds and other similar items issued and outstanding in connection with the Business, in each case, to the extent set forth on Schedule 6.12 hereof, and Buyers will indemnify Delphi and its Affiliates against any Losses of any kind whatsoever with respect to such Liabilities and obligations.

6.13 **Competition Clearance.** Subject to the terms hereof, Buyers and Delphi agree to cooperate and to use commercially reasonable efforts to obtain, as promptly as practicable following the date hereof, any Governmental Approvals required for the Closing under the HSR Act, EC Merger Regulation and any other applicable Competition/Investment Law, to respond to any government requests for information thereunder, to contest and resist in good faith any action thereunder, and to have lifted or overturned any Governmental Order that restricts, prevents or prohibits the consummation of the transactions contemplated by this Agreement. The Parties will use commercially reasonable efforts to complete, no later than three (3) Business Days after the date hereof, Schedule 6.13.1, which includes a list of all countries in which competition filings may be required or are appropriate. In this respect, Buyers will make (or continue to prosecute, if made previously) all the competition filings set forth in

Schedule 6.13.1 promptly, but in no event later than fifteen (15) Business Days after the date hereof, and Buyer Parent will: (i) promptly inform Delphi of all oral and written communications with any Governmental Authority in respect of any required Governmental Approval; (ii) give Delphi the opportunity to comment on all filings and any response prepared by Buyers prior to Buyers' submitting such response to the relevant Governmental Authority; and (iii) afford Delphi or any Seller designated by Delphi the opportunity to attend any meetings, telephone conferences or video conferences organized with the Governmental Authorities in relation to any required Governmental Approval. Notwithstanding the foregoing, the Parties agree that neither of them will make any voluntary filing under applicable foreign antitrust laws or regulations unless advised by legal counsel in such jurisdiction that the failure to make a filing could result in a Material Adverse Effect or otherwise be in violation of applicable Law. Each party hereto will promptly inform the other of any oral or other communication from any Governmental Authority regarding any of the transactions contemplated by this Agreement and the Ancillary Agreements. If the competition authority in any such country: (i) imposes conditions upon its approval of the transactions contemplated by this Agreement; or (ii) files a Proceeding before a Governmental Agency seeking to restrain or prohibit, or to obtain damages or other relief in connection with, the consummation of the transactions contemplated by this Agreement, the Parties will take commercially reasonable steps to negotiate with the competition authority regarding, and comply with, any conditions or modifications requested by such competition authority, consistent with the general intention of this Agreement (that ownership of the Business will be vested in the Buyers). Such compliance may require modifications in structure, economic and other relationships. Subject to Section 9.2.2, each Party will bear its own costs and expenses incurred in negotiating and agreeing to the required conditions or modifications with the competition authorities.

6.13.1 Buyers will not acquire or agree to acquire by merging or consolidating with, or by purchasing a substantial portion of the assets of or equity in, or by any other manner, any business or any corporation, partnership, association or other business organization or division thereof, or otherwise acquire or agree to acquire any assets if the entering into of a definitive agreement relating to or the consummation of such acquisition, merger or consolidation would reasonably be expected to: (i) impose any delay in the obtaining of, or significantly increase the risk of not obtaining, any authorizations, consents, orders, declarations or approvals of any Governmental Authority necessary to consummate the transactions contemplated by this Agreement or the Transfer Agreements or the expiration or termination of any applicable waiting period; (ii) increase the risk of any Governmental Authority entering an order prohibiting the consummation of the transactions contemplated by this Agreement or the Transfer Agreements; (iii) significantly increase the risk of not being able to remove any such order on appeal or otherwise; or (iv) delay or prevent the consummation of the transactions contemplated by this Agreement or the Transfer Agreements.

6.14 **Further Actions.**

6.14.1 Within three (3) Business Days after the entry of an unstayed Sale Approval Order by the Bankruptcy Court, the Parties will use commercially reasonable efforts to take all actions and to do all things necessary, proper or advisable under Law to consummate the transactions contemplated hereby and by the Transfer Agreements. In furtherance of the foregoing, the Parties will consult and cooperate with one another, and consider in good faith the

views of one another, in connection with any analyses, appearances, presentations, memoranda, briefs, arguments, opinions and proposals made or submitted by or on behalf of any party hereto in connection with the transactions contemplated by this Agreement.

6.14.2 At all times prior to the Closing: (i) Delphi will notify Buyer Parent in writing of any fact, condition, event or occurrence that will result in the failure of any of the conditions contained in Article 7 to be satisfied, promptly upon any of them becoming aware of the same; and (ii) Buyer Parent will notify Delphi in writing of any fact, condition, event or occurrence that will result in the failure of any of the conditions contained in Article 7 to be satisfied, promptly upon any of them becoming aware of the same.

6.15 **Further Assurances.** Subject to the terms and conditions herein provided, the Parties shall use their respective commercially reasonable efforts to take, or cause to be taken, all action, and to do, or cause to be done, all things necessary, proper or advisable under applicable laws and regulations to consummate and make effective the transactions contemplated by this Agreement. If at any time after the Closing Date any further action is necessary or desirable to carry out the purposes of this Agreement, the parties hereto shall take or cause to be taken all such necessary action, including, without limitation, the execution and delivery of such further instruments and documents as may be reasonably requested by the other party for such purposes or otherwise to consummate and make effective the transactions contemplated hereby; provided that, to the extent not indemnified or required hereunder the cost of such action or of such instruments and documents related thereto shall be borne by the party requesting them. The foregoing covenant will survive the Closing of the transactions contemplated herein.

6.16 **Shared Items Transferred to Buyers.** With respect to any contracts for goods or services included in the Acquired Assets and that are used by both the Business and other operations of Delphi or its Affiliates that are set forth on Schedule 6.16, and that will be transferred to Buyers at Closing, Buyers will provide Sellers with the benefits of such contracts in substantially the same manner described in Section 2.4 above regarding Deferred Items, and Delphi will cause Sellers to reimburse Buyers for such benefits in substantially the manner described in Section 2.4, until the earlier of such time as separate contracts for such goods or services have been agreed between the applicable Seller and the other Party or Parties to such contract or contracts, or until the termination of such contract or contracts.

6.17 **Buyers' Financing Activities.**

6.17.1 Buyers acknowledge and agree that: (i) Sellers and their Affiliates have no responsibility for any financing that Buyers may raise in connection with the transactions contemplated hereby including with respect to any offering materials and other documents prepared by or on behalf of or utilized by Buyers or their Affiliates, or Buyers' financing sources, in connection with Buyers' financing activities in connection with the transactions contemplated hereby which include any information provided by Sellers or any of their Affiliates; and (ii) Buyers' obligations to consummate and to cause to be consummated the transactions contemplated by this Agreement and the Transfer Agreements are not subject to any condition or contingency with respect to the financing.

6.17.2 Buyers will use commercially reasonable efforts to: (i) maintain in effect the Commitment Letter; (ii) enter into definitive financing agreements with respect to the financing, so that such agreements are in effect as promptly as practicable but in any event no later than the Closing Date; and (iii) consummate the financing at or prior to Closing. Buyers will keep Delphi reasonably informed of material developments in respect of the financing process relating thereto and provide copies of the Commitment Letter as it may be revised. In the period between the date hereof and the Closing Date, upon request of Buyers, Sellers will, and will use commercially reasonable efforts to cause its Affiliates and representatives to, reasonably cooperate with Buyers in connection with the financing. Buyers will promptly, upon request by Sellers, reimburse Sellers for all, documented out-of-pocket expenses incurred by Sellers or their Affiliates or representatives in connection with such cooperation. If, notwithstanding the use of commercially reasonable efforts by Buyers to satisfy their obligations under this Section 6.17.2, any of the financing or the Commitment Letter (or any definitive financing agreement entered with respect thereto) expire or are terminated prior to the Closing, in whole or in part, for any reason, Buyers will: (i) promptly notify Delphi of such expiration or termination and the reasons therefor; and (ii) use commercially reasonable efforts to promptly arrange for alternative financing (which will not contain any conditions in addition to those contained in such expired or terminated commitments or agreements) to replace the financing contemplated by such expired or terminated commitments or agreements in an amount sufficient to consummate the transactions contemplated by this Agreement and the Ancillary Agreements.

6.18 **Guarantee by Buyer Parent.** Buyer Parent unconditionally guarantees all obligations of each Buyer pursuant to the terms of this Agreement, including payment of the Purchase Price and any indemnification obligations. Buyer Parent will also reimburse Sellers for all fees and expenses (including reasonable fees of counsel) incurred in successfully enforcing the guarantee obligations set forth in this Section 6.18.

6.19 **Customs Duties.** The Buyers expressly agree to reimburse Sellers for all customs-related duties, fees, and associated costs incurred by Sellers on behalf of Buyers following the Closing, including all such duties, fees and costs incurred in connection with co-loaded containers that clear customs intentionally or unintentionally under Sellers' importer/exporter identification numbers and bonds/guarantees post-Closing.

6.20 **Nonsolicitation.** Until the 2nd anniversary of the date hereof, Delphi shall not, directly or indirectly, and shall cause any entity controlled by Delphi not, to: (A) induce or attempt to induce any employee of any member or employee of the Combined Business or to leave the employ of such Person; or (B) subject to the restrictions of any applicable Law, induce or attempt to induce any customer, supplier, vendor, licensee, distributor, contractor or other business relation of any member of the Combined Business to cease doing business with, or materially alter its business relationship with, such member of the Combined Business; provided, however, that neither of the foregoing shall apply to persons whose employment with Combined Business is terminated by the Combined Business or who are hired as a result of the use of a general solicitation (such as an advertisement) not specifically directed to employees of the Combined Business.

6.21 **Confidentiality.** After the Closing, Delphi shall, and shall cause its Affiliates to, maintain as confidential and shall not use or disclose (except as required by law or

as authorized in writing by Buyer) any confidential information concerning the businesses and affairs of the Combined Business, except to the extent such confidential information (i) was used by Delphi's divisions other than the Business prior to the Closing Date (ii) becomes generally available to the public other than as a result of a disclosure by Delphi or its representatives in violation of the terms hereof, (iii) becomes available to Delphi on a non-confidential basis from a source other than the Buyers or their representatives or (iv) is covered by the licenses granted pursuant to Section 6.11. In the event Delphi or any of its Affiliates is required by law to disclose any confidential information, such party shall promptly notify Buyer Parent in writing, which notification shall include the nature of the legal requirement and the extent of the required disclosure, and shall cooperate with Buyer Parent to preserve the confidentiality of such information consistent with applicable law. Buyers shall be the beneficiaries of any confidentiality or nondisclosure agreement entered into with respect to a potential acquisition of the steering assets of Delphi before the Closing between Delphi or its Affiliates, on the one hand, and any Person, on the other, and shall be entitled to enforce such agreement after the Closing Date.

6.22 **KDAC**.

6.22.1 From and after the execution of this Agreement and continuing after Closing, Delphi shall use commercially reasonable efforts to prepare for sale to Buyer Parent Delphi Automotive Systems (Holding), Inc.'s ("**DASHI**") 50% interest in KDAC's business relating to the Products ("**KDAC Steering**") and satisfy the following conditions precedent (the "**KDAC Steering Sale Conditions**"): (i) completion of KDAC Steering's split-off from KDAC as a separate legal entity containing all of the assets and liabilities (including any severance Liabilities) of KDAC Steering, allocated on a basis consistent with the KDAC Steering reference balance sheet attached hereto as Schedule 6.22, through a corporate split process whereby the shareholding ratio of the existing KDAC shareholders remains unchanged in the newly formed KDAC Steering legal entity and (ii) receipt of consents from the other shareholders of KDAC Steering permitting DASHI to sell its 50% interest in KDAC Steering (the "**KDAC Steering Interest**") to Buyer Parent. DASHI agrees to request that KDAC (or the new KDAC Steering legal entity) agree to be bound by non-compete provisions substantially similar to those in place today under the KDAC Shareholder Agreement dated July 31, 1998 (as if the Business continued to be owned by Delphi).

6.22.2 Upon satisfaction of the KDAC Steering Sale Conditions and provided that the exercising party provides notice to the other party within nine months of Closing, DASHI and Buyer Parent (or its designee) shall have the following independent options (the "**KDAC Options**") to sell or purchase (as applicable) without the consent of the other party the KDAC Steering Interest for the KDAC Amount less DASHI's pro rata share of any short-term borrowings, current portion of long-term debts, debenture, and long-term debt in the newly formed KDAC Steering legal entity at the time of such purchase (the "**KDAC Purchase Price**"), pursuant to the Transfer Agreement attached as Exhibit 6.22:

- (i) DASHI shall have the right to sell to Buyer Parent (or its designee), and Buyer Parent must purchase, the KDAC Steering Interest for the KDAC Purchase Price; and

(ii) Buyer Parent (or its designee) shall have the right to purchase, and DASHI must sell, the KDAC Steering Interest for the KDAC Purchase Price.

6.22.3 Following the exercise of either of the foregoing options, the parties will promptly seek all necessary Governmental Approvals in accordance with the procedures set forth in Section 6.13 hereof and use commercially reasonable efforts to promptly consummate the sale of KDAC Steering Interest.

6.22.4 Upon the sale of the KDAC Steering Interest to Buyer Parent, Buyer Parent agrees to be bound by the terms of the KDAC Steering Shareholders Agreement, or if such KDAC Steering Shareholders Agreement does not yet exist, to enter into a shareholders agreement with the other shareholders of KDAC Steering on the same terms as the KDAC Shareholder Agreement dated July 31, 1998.

6.22.5 In the event that the transaction contemplated by this Section 6.22 is not consummated within nine (9) months following the Closing Date, the KDAC Options shall expire and DASHI shall repay the KDAC Amount to Buyer Parent.

6.23 **No Right of Set-Off.** Neither Party nor any of its Affiliates shall have any right of holdback or setoff or assert any claim, defense or counterclaim with respect to any amounts that may be owed by such Party or its Affiliates to the other Party (or Parties) hereto or its Affiliates as a result of and with respect to any amount that may be owing to such Party or its Affiliates under this Agreement, any Ancillary Agreement or any other commercial arrangement entered into in connection herewith.

6.24 **Enterprise Contracts.** The parties acknowledge that (i) the Business currently benefits from certain services or receives certain products of the type listed on Schedule 6.24 (“**Other Services**”) provided by third parties (“**Enterprise Providers**”) under enterprise contracts with Delphi and/or one of its Affiliates (“**Enterprise Contracts**”) and (ii) it may not be practical for Buyers to enter into replacement contracts with all of such Enterprise Providers as of the Closing Date. After signing this Agreement and prior to Closing, Buyers will use commercially reasonable efforts to enter into replacement contracts covering such Other Services. In the event that Buyers are unable to secure such replacement contracts, after having used commercially reasonable efforts as required by the preceding sentence, Sellers will use commercially reasonable efforts to make available to Buyers the Other Services provided under such Enterprise Contracts of the type described on Schedule 6.24. Buyers will pay Sellers the cost (including the cost of any internal resources) of providing such Other Services. The obligations in this Section 6.23 shall not apply to (i) any Contracts that are Acquired Assets (ii) any service provided under the Transition Services Agreement, (iii) any services or products identified on Schedule 6.24 under the heading “Products/Services excluded from Section 6.24” in the Transition Services Agreement as an “Excluded Service” or (iv) products or services which the applicable Sellers are prohibited from providing to Buyers pursuant to applicable Law.

6.25 **Buyers’ Covenant to Manufacture Products.** Buyers covenant to design, manufacture, transport, provide necessary engineering services for, and deliver replacement, remanufactured or new Products (as appropriate) at Sellers’ expense (calculated on

a cost basis) in connection with any Product Warranty Liability (including any recall) retained by Sellers or for which Sellers are responsible to indemnify Buyers.

6.26 **Joint Venture.** Subject to each of Delphi's and Buyer Parent's respective good faith determination that such Party will not incur any additional liabilities or expenses (other than nominal documentation related expenses) or be exposed to any adverse accounting impact as a result thereof, from and after the execution of this Agreement and continuing until the Closing, Delphi and Buyer Parent shall each use commercially reasonable efforts to structure a mutually agreeable joint venture comprised of the Acquired Assets of the applicable U.S. Sellers and certain assets to be identified by Buyer Parent (the "Proposed Joint Venture").

6.27 **Somerton Equipment.** Sellers shall use commercially reasonable efforts to remove their Powertrain TFS equipment from Building 1 at the Somerton, Australia Manufacturing Facility prior to Closing. If the Sellers are unable to remove such equipment prior to Closing, Sellers shall retain reasonable access rights for up to 120 days after Closing to such facility for the purposes of selling or removing such equipment and shall reimburse Buyers for the reasonable costs associated with (i) at Delphi's option, either (a) procuring reasonably equivalent alternative floor space or (b) extending the lease at Building 2 to accommodate its inventory and equipment currently located in Building 2 at the Somerton, Australia Manufacturing Facility; and (ii) the usage of electricity required to demonstrate the Powertrain TFS equipment to potential buyers if necessary. For purposes of this Section, any TFS equipment remaining in Building 1 following the Closing will be deemed to be bailed to Buyers for the benefit of Sellers until such equipment is removed from the facility.

6.28 **Mexican Newco.** No later than fifteen (15) days prior to the Closing date, Delphi shall transfer and assign or cause to be transferred and assigned to Buyer all of the issued and outstanding stock of two legal entities formed in the U.S. (the "**U.S. Holding Companies**") to hold the shares of Steering Newco, S. de R.D. de C.V. ("**Mexican Newco**"), free and clear of all Encumbrances other than Permitted Encumbrances, in exchange for a purchase price equal to the aggregate out-of-pocket costs incurred by Sellers in establishing the U.S. Holding Companies and Mexican Newco and obtaining necessary Permits. The payment will be made in immediately available funds as of the date of transfer. As of the date of such transfer, the U.S. Holding Companies and Mexican Newco shall: (i) not own, lease or otherwise have the right to use any assets other than Permits necessary or desirable for the conduct of the Business in Mexico and/or to acquire the Permits and (iii) not have any other Liabilities or employees other than as required to obtain the Permits. In the event the Closing does not occur subsequent to such transfer of the U.S. Holding Companies described in this Section 6.28, Buyers shall transfer and assign back to Sellers all of the issued and outstanding stock of the U.S. Holding Companies free and clear of all Encumbrances. If the U.S. Holding Companies and the Mexican Newco are transferred back to Sellers in accordance with the preceding sentence, such entities shall otherwise be delivered to Sellers in the same condition as they were delivered to Buyers pursuant to this Section 6.28.

6.29 **2007 Dividends.** In the event that the Sellers are unable to cause any Sale Company or JV Company to declare the maximum dividend amount ("**Maximum Dividend Amount**") allowed under applicable Law for 2007, Buyers will promptly cause such Sale

Company or JV Company to declare the Maximum Dividend Amount and remit such amount to Sellers, net of any taxes or other reasonable out-of-pocket costs incurred solely as a result of remitting such dividend to Sellers. The amounts paid to Sellers pursuant to this Section 6.29 and under Section 3 for Capped Cash shall be cumulative, provided that in no event shall the payments under this Section 6.29 duplicate any payments made by Buyer to Seller for Capped Cash pursuant to Section 3 hereof. In order to maximize the amount of Cash recovered by Sellers under this Section 6.29 and Section 3, Delphi may apportion the \$2,000,000 of Capped Cash for the JV Companies in its sole discretion.

6.30 **Commitment Letter.** Buyer Parent shall promptly provide to Sellers (i) evidence of its financial ability to consummate this Agreement and the transactions contemplated hereby, as evidenced by a commitment letter from its lender(s) (“**Commitment Letter**”) and (ii) subject to Sellers’ obligation to maintain the confidentiality of such information in accordance with Section 6.21 hereof, a consolidated balance sheet reflecting the financial position of the Combined Business immediately following the Closing.

If Buyers are required to perform any of Sellers’ obligations under the Project Agreement, Delphi will reimburse Buyers for Buyers’ documented out-of-pocket costs incurred by Buyer promptly following receipt of an invoice from Buyer.

6.32 **Transfer of Certain Sale Securities.** In order to effectuate the sale of the Sale Securities pursuant to Section 2.1.1 hereof, the Sellers may, prior to Closing and after consultation with Buyer Parent, transfer certain of the Sale Securities to special purpose vehicles in the form of intermediate holding companies. In the event of any such transfer, the shares of the intermediate holding company will become the Sale Securities transferred hereunder.

6.33 **Doblo 262 Column Program.** With respect to the equipment that is expected to be purchased by a Delphi Affiliate between signing and Closing for use by the Business in connection with the Turkey Doblo 262 Column Program, such equipment will, at Delphi’s option be either (i) purchased by Delphi Polska and included as Acquired Asset(s) hereunder, or (ii) purchased by a Delphi Affiliate and Buyers will pay such Delphi Affiliate the net book value of such equipment as of the Closing Date, plus any applicable Transfer Taxes, within 120 days following Closing. 9. TERMINATION.

9.1 **Termination.** This Agreement may be terminated at any time prior to the Closing:

9.1.1 By the mutual written consent of Delphi and Buyer Parent.

9.1.2 By either Party:

A. If the Closing will not have occurred within one hundred eighty (180) days after entry of the Sale Approval Order for any reason other than a failure of the conditions set forth in Sections 7.1.2 or 7.1.3, unless the Closing has not occurred due to a material breach by the terminating party of its obligations under this Agreement.

B. If Seller consummates an Alternative Transaction.

C. If any Governmental Authority of competent jurisdiction (other than the Bankruptcy Court) will have issued a Governmental Order or taken any other action restraining, enjoining or otherwise prohibiting the transactions contemplated hereby and such Governmental Order or other action has become final and nonappealable, unless due to a material breach by the terminating party.

D. If the Bankruptcy Court has not entered the Sale Approval Order on or before the date that is ninety (90) days after the date of this Agreement and such order is not a Final Order or if the Bidding Procedures Order is not a Final Order within eleven (11) days after it is entered on the Bankruptcy Court's docket.

9.1.3 By Buyer Parent, upon written notice to Delphi and provided that Buyer Parent is not then in material breach of any representation, warranty, covenant or other agreement contained in this Agreement:

A. if Delphi has breached or failed to perform in any material respect any of its obligations or covenants contained in this Agreement, and such material breach or material failure to perform: (i) is not cured within thirty (30) days after written notice thereof or, in the case where the date or period of time specified for performance has lapsed, promptly

following written notice thereof from the non-breaching party; or (ii) is incapable of being cured by Delphi;

B. if a Material Adverse Effect will have occurred, Buyer Parent may terminate within ten (10) Business Days after becoming aware of such event so long as such event is continuing at the time of any such termination and not reasonably capable of being cured within ninety (90) days after entry of the Sale Approval Order;

C. if any Seller enters into an agreement or understanding for an Alternative Transaction other than regarding a Successful Bidder at the Auction where Buyer Parent is the Alternate Bidder;

D. if any Seller (i) seeks or supports, or fails to oppose, Bankruptcy Court approval of a competing bid for any or all of the Business or the Purchased Assets or (ii) executes and delivers an agreement or understanding of any kind with respect to an Alternative Transaction; in each case other than in connection with Qualified Bids at the Auction or regarding a Successful Bidder at the Auction where Buyer Parent is the Alternate Bidder; or

E. If the Bankruptcy Court declines to enter the Sale Approval Order because the Bankruptcy Court finds that the Sale under this Agreement can only be approved through or in the context of a plan of reorganization, unless the right of Buyer to purchase the Business on substantially the same terms as this Agreement is preserved in such plan of reorganization and the plan is consummated pursuant to a Final Order of the Bankruptcy Court confirming such Plan of Reorganization on or before one hundred and twenty (120) days after the date of this Agreement.

F. If Buyer becomes an Alternate Bidder pursuant to Section 10.9 hereof but Delphi fails to consummate the transaction with the Successful Bidder within ninety (90) days of entry of the Sale Order.

G. The sale, transfer, lease or other disposition, directly or indirectly of any portion of the Business or the Acquired Assets (other than as a going concern) in connection with the closure, liquidation or winding up of the Business or any of the Sellers or Sale Companies.

For purposes of Sections 9.1.3.C and 9.1.3.D, the Sellers' negotiations with, and possible selection of, the Qualified Bid that shall serve as the floor bid at the Auction does not give rise to an "understanding" for, or with respect to, an Alternative Transaction, provided, however, that an Auction is actually held pursuant to Section 10 hereof.

9.1.4 By Delphi, upon written notice to Buyer Parent and provided that Delphi is not then in material breach of any representation, warranty, covenant or other agreement contained in this Agreement, if the Buyer Parent or any Buyer has breached or failed to perform in any material respect any of its obligations or covenants contained in this Agreement, and such material breach or material failure to perform: (i) is not cured within thirty (30) days after written notice thereof or, in the case where the date or period of time specified for performance has lapsed, promptly following written notice thereof from the non-breaching party; or (ii) is incapable of being cured by Buyer Parent or any Buyer.

9.2 **Break-Up Fee; Expense Reimbursement.**

9.2.1 Solely in the event that this Agreement is terminated pursuant to Sections 9.1.2.B, 9.1.3.C, 9.1.3.D, or 9.1.3.F, Delphi shall pay to Buyer Parent in immediately available funds a cash fee of \$6,000,000 (the “**Break-Up Fee**”), such fee to be paid upon the consummation of an Alternative Transaction.

9.2.2 In the event this Agreement is terminated pursuant to any provision of Section 9 other than Section 9.1.4 and provided that Buyer Parent is not then in breach of this Agreement or the Bidding Procedures, then Sellers shall, jointly and severally, pay to Buyer Parent an amount equal to Buyer Parent’s reasonable, actual out-of-pocket fees and expenses (including, without limitation, reasonable attorneys’ fees, expenses of its financial advisors, and expenses of other consultants) incurred in connection with the transactions contemplated by this Agreement in immediately available funds up to a maximum of (i) \$2,000,000 if a Break-up Fee is paid or (ii) the amount of the Break-up Fee if a Break-Up Fee is not paid (the “**Expense Reimbursement**”). Any Expense Reimbursement payable upon termination of this Agreement will be immediately earned upon such termination and payable by Delphi to Buyer Parent upon the delivery of an invoice related to such Expense Reimbursement to Delphi by Buyer Parent to be delivered to Delphi within ten (10) Business Days of termination of this Agreement; provided, however, that if Delphi believes, in good faith, that the amount of the Expense Reimbursement sought by Buyer Parent is not reasonable, then Delphi will have the right to seek Bankruptcy Court review thereof prior to paying such amount.

9.2.3 If Buyer Parent actually receives the required Break-Up Fee and/or Expense Reimbursement when due, then such Break-Up Fee and/or Expense Reimbursement will be the sole and exclusive remedy of Buyer Parent, whether at law or in equity, for any breach by Delphi or any of its Affiliates of the terms and conditions of this Agreement, provided, however, that Buyer shall retain its rights and remedies under the Deposit Escrow Agreement and Section 3 of this Agreement governing the return of the Deposit Amount in all such circumstances.

9.2.4 Delphi’s obligation to pay the Break-Up Fee and Expense Reimbursement pursuant to this Section 9.2 shall survive termination of this Agreement and shall constitute an administrative expense of the Sellers under Section 364(c)(1) of the Bankruptcy Code with priority over any and all administrative expenses of the kind specified in Sections 503(b) or 507(b) of the Bankruptcy Code.

9.3 **Procedure and Effect of Termination.** In the event of the termination of this Agreement and the abandonment of the transactions contemplated hereby pursuant to Section 9.1, written notice thereof will forthwith be given to all other Parties. If this Agreement is terminated and the transactions contemplated by this Agreement are abandoned as provided herein:

9.3.1 Buyers will redeliver to Sellers all documents, work papers and other material of any of Sellers relating to the transactions contemplated hereby, whether so obtained before or after the execution hereof;

9.3.2 The provisions of the Confidentiality Agreement will continue in full force and effect; and

9.3.3 The following Sections of this Agreement will survive any termination of this Agreement and remain in full force and effect: (i) Article 9 (Termination); and (ii) Sections 3.1 (Deposit Amount), 9.1 (Termination), 9.2 (Break-Up Fee, Expense Reimbursement), 11 (Liability; Indemnification), 12.1 (Fees and Expenses), 12.5 (Assignment), 12.6 (Waiver), 12.7 (Notices), 12.8 (Entire Agreement), 12.10 (Publicity), 12.14 (Governing Law), and 12.15 (Venue and Retention of Jurisdiction).

9.3.4 No party to this Agreement will have any Liability under this Agreement to any other except: (i) that nothing herein will relieve any party from any Liability for any breach of any of the representations, warranties, covenants and agreements set forth in this Agreement occurring before such termination, and, except as provided by Section 9.2.3 above, no Party waives any Claim with respect thereto; and (ii) nothing herein will relieve Sellers of their obligation to pay Buyer Parent the Break-Up Fee and/or Expense Reimbursement pursuant to Section 9.2. above.

10. BIDDING PROCEDURES.

10.1 Delphi Initial Bankruptcy Actions.

10.1.1 This Article 10 sets forth the bidding procedures (the “**Bidding Procedures**”) to be employed with respect to the Agreement and the Sale of the Purchased Assets. The Sale is subject to competitive bidding as set forth herein and approval by the Bankruptcy Court in the Sale Approval Order. The following overbid provisions and related Bidding Procedures are designed to compensate Buyers for their efforts and agreements to date and to facilitate a full and fair process (the “**Bidding Process**”) designed to maximize the value of the Purchased Assets for the benefit of Sellers’ and their Affiliates’ creditors, shareholders and bankruptcy estate.

10.2 **Qualified Bidder.** Unless otherwise ordered by the Bankruptcy Court, for cause shown, or as otherwise determined by Sellers, in order to participate in the Bidding Process, each person (a “**Potential Bidder**”), other than Buyer Parent, must deliver (unless previously delivered) to Delphi, its counsel, its in-house counsel, and its financial advisors at the addresses provided in Section 10.3:

10.2.1 An executed Confidentiality Agreement in form and substance satisfactory to Delphi.

10.2.2 Current audited financial statements of the Potential Bidder, or, if the Potential Bidder is an entity formed for the purpose of acquiring the Purchased Assets and the Business, current audited financial statements of the equity holders of the Potential Bidder who will guarantee the obligations of the Potential Bidder, or such other form of financial disclosure and credit-quality support or enhancement acceptable to Delphi and its financial advisors; and

10.2.3 A preliminary (non-binding) written proposal regarding: (i) the purchase price range; (ii) any assets and/or equity interests expected to be excluded; (iii) the structure and

financing of the transaction (including, but not limited to, the sources of financing for the purchase price and all requisite financial assurance); (iv) any anticipated regulatory approvals required to close the transaction, the anticipated time frame and any anticipated impediments for obtaining such approvals; (v) any conditions to closing that it may wish to impose in addition to those set forth in this Agreement; and (vi) the nature and extent of additional due diligence it may wish to conduct and the date by which such due diligence will be completed.

A Potential Bidder that delivers the documents described in the previous subparagraphs above and whose financial information and credit-quality support or enhancement demonstrate the financial capability of the Potential Bidder to consummate the Sale and perform post-Closing, if selected as a Successful Bidder, and that Delphi determines in its sole discretion is likely (based on availability of financing, experience and other considerations) to be able to consummate the Sale within the time frame provided by this Agreement will be deemed a **“Qualified Bidder”**. As promptly as practicable, after a Potential Bidder delivers all of the materials required above, Delphi will determine, and will notify the Potential Bidder, if such Potential Bidder is a Qualified Bidder. At the same time that Delphi notifies the Potential Bidder that it is a Qualified Bidder, Delphi will allow the Qualified Bidder to begin to conduct due diligence with respect to the Purchased Assets and the Business as provided in Section 10.4 below. Buyer Parent will be deemed a Qualified Bidder for purposes of the Bidding Process and Qualified Bids and for all purposes hereunder.

10.3 **Bid Deadline.** A Qualified Bidder that desires to make a bid will deliver written copies of its bid to: Delphi Automotive Systems LLC, 5725 Delphi Drive, Troy, Michigan 48098 Attention: Director, Mergers & Acquisitions, with copies to: (i) Delphi’s counsel, Skadden, Arps, Slate, Meagher & Flom LLP, at 333 West Wacker Drive, Chicago, Illinois 60601-1285, Attention: John K. Lyons and Ron E. Meisler; (ii) Delphi’s in-house counsel, Delphi Corporation, 5725 Delphi Drive, Troy, Michigan 48098, Attn: Deputy General Counsel – Transactional & Restructuring; (iii) Delphi’s financial advisor, Rothschild, Inc., 1251 Avenue of the Americas, New York, NY 10020, Attention: William Shaw; (iv) counsel to the official committee of unsecured creditors appointed in the Bankruptcy Cases (the “Committee”), Latham & Watkins LLP, 885 Third Avenue, New York, New York 10022, Attention: Robert Rosenberg and Mark A. Broude; and (v) counsel for the agent under Delphi’s postpetition credit facility, Davis Polk & Wardwell, 450 Lexington Avenue, New York, New York 10017, Attention: Donald S. Bernstein and Brian Resnick; so as to be received not later than 11:00 A.M. (EST), on a date to be determined by Delphi that is at least six (6) Business Days before the date of Sale Hearing (the **“Bid Deadline”**). Delphi may extend the Bid Deadline once or successively, but is not obligated to do so; provided however, that for any such extension beyond February 1, 2008, Delphi shall have obtained the written consent of Buyer Parent, which consent will not be unreasonably withheld. If Delphi extends the Bid Deadline, it will promptly notify all Qualified Bidders of such extension. As soon as reasonably practicable following receipt of each Qualified Bid, Sellers will deliver complete copies of all items and information enumerated in the Section below entitled “Qualified Bids” to counsel for the Official Committee of Equity Security Holders (the **“Equityholders’ Committee”**). The Sellers also will provide the UAW with notice of all Qualified Bidders and their contact information.

10.4 **Due Diligence.** Delphi will afford each Qualified Bidder due diligence access to the Purchased Assets and the Business. Due diligence access may include Management Presentations as may be scheduled by Delphi, access to Data Rooms, on site inspections and such other matters which a Qualified Bidder may request and as to which Delphi, in its sole discretion, may agree. Delphi will designate an employee or other representative to coordinate all reasonable requests for additional information and due diligence access from Qualified Bidders. Any additional due diligence will not continue after the Bid Deadline. Delphi may, in its discretion, coordinate diligence efforts such that multiple Qualified Bidders have simultaneous access to due diligence materials and/or simultaneous attendance at Management Presentations or site inspections. Neither Delphi nor any of its Affiliates (nor any of their respective representatives) will be obligated to furnish any information relating to Purchased Assets and the Business to any Person other than to Qualified Bidders who make an acceptable preliminary proposal.

10.5 **Qualified Bids.** A bid will be considered a Qualified Bid only if the bid complies with all of the following (“**Qualified Bid**”):

10.5.1 Includes a letter stating that the bidder’s offer is irrevocable until two (2) Business Days after the Closing of the Sale of the Purchased Assets.

10.5.2 Includes an executed copy of this Agreement, together with all Schedules and Exhibits (a “**Marked Agreement**”), marked to show those amendments and modifications to such agreement that the Qualified Bidder proposes, including the Purchase Price (as defined in this Agreement).

10.5.3 Includes a good faith deposit (the “**Good Faith Deposit**”) in the form of a certified bank check from a U.S. bank or by wire transfer (or other form acceptable to Delphi in its sole discretion) payable to the order of Delphi (or such other party as Delphi may determine) in an amount equal to \$9.5 million.

10.5.4 Includes written evidence of a commitment for financing or other evidence of ability to consummate the proposed transaction satisfactory to Delphi and its advisors.

10.5.5 Is not conditioned on obtaining financing or on the outcome of unperformed due diligence by the bidder.

10.5.6 Proposes a transaction on terms and conditions that Delphi determines, in its sole discretion, are similar to, and are not materially more burdensome or conditional than the terms of the Agreement and that has a value, either individually or, when evaluated in conjunction with any other Qualified Bid, greater than or equal to the sum of (i) the Preliminary Purchase Price plus (ii) the Assumed Liabilities plus (iii) the Break-Up Fee plus (iv) the Expense Reimbursement plus (v) plus \$1,000,000.

10.5.7 Is not conditioned upon any bid protections, such as a break-up fee, termination fee, expense reimbursement or similar type of payment.

10.5.8 Includes an acknowledgement and representation that the bidder: (i) has had an opportunity to conduct any and all due diligence regarding the Purchased Assets prior to

making its offer; (ii) has relied solely upon its own independent review, investigation and/or inspection of any documents and/or the Purchased Assets in making its bid; (iii) did not rely upon any written or oral statements, representations, promises, warranties or guaranties whatsoever, whether express, implied, by operation of law or otherwise, regarding the Purchased Assets, or the completeness of any information provided in connection therewith or the Auction, except as expressly stated in the Agreement or the Marked Agreement; and (iv) agrees that any non disclosure agreement or confidentiality agreement entered into with Delphi shall be enforceable by the Successful Bidder.

10.5.9 Includes a commitment to consummate the purchase of the Purchased Assets (including the receipt of any required Governmental Approvals) within not more than fifteen (15) days after entry of an order by the Bankruptcy Court approving such purchase, subject to the receipt of any Governmental Approvals which must be obtained within sixty (60) days after entry of such order.

10.5.10 Is on terms acceptable to General Motors, as provided in any agreement between General Motors and Delphi which facilitates the transactions contemplated hereunder.

10.5.11 Is received by the Bid Deadline.

10.5.12 Delphi will have the right, in its sole discretion, to entertain bids for the Purchased Assets that do not conform to one or more of the requirements specified herein and deem such bids to be Qualified Bids. Notwithstanding the foregoing, Buyer Parent will be deemed a Qualified Bidder, and the Agreement will be deemed a Qualified Bid, for all purposes in connection with the Bidding Process, the Auction, and the Sale. A Qualified Bid will be valued based upon factors such as the net value provided by such bid and the likelihood and timing of consummating such transaction.

10.6 **Subsequent Bid.** Each Qualified Bid other than the initial bid of Buyer Parent is referred to as a “**Subsequent Bid**”. If Delphi does not receive any Qualified Bids other than the Agreement received from Buyer Parent, Delphi will report the same to the Bankruptcy Court and will proceed with the Sale pursuant to the terms of this Agreement. If Delphi receives a bid that does not conform to one or more of the requirements specified in Section 10.5 herein, but determines that such bid is to be treated as a Qualified Bid with a higher value as defined in Section 10.5.6 herein, then any Qualified Bidder (including Buyer) shall have the opportunity to submit a bid at the Auction on the same basis, so long as such bid has a value of at least \$1,000,000 more than the non-conforming bid. Delphi shall notify the Buyer and all Qualified Bidders in writing as to whether or not any bids constitute Qualified Bids no later than five (5) days following the expiration of the Bid Deadline.

10.7 **Bid Protection.** Recognizing Buyer Parent's expenditure of time, energy and resources, Delphi has agreed to provide certain bidding protections to Buyer Parent. Specifically, Delphi has determined that the Agreement will further the goals of the Bidding Procedures by setting a floor that all other Potential Bids must exceed. As a result, Delphi has agreed that it will pay to Buyer Parent the Break-Up Fee and/or the Expense Reimbursement pursuant to, and subject to the terms of, Section 9.2 hereof.

10.8 **Auction, Bidding Increments and Bids Remaining Open.** If Delphi receives at least one (1) Qualified Bid in addition to the Agreement, Delphi will conduct an auction (the “**Auction**”) of the Purchased Assets and the Business (upon notice to all Qualified Bidders who have submitted Qualified Bids) at 10:00 a.m. EST on or before the tenth (10th) Business Day following the expiration of the Bid Deadline, at the offices of Skadden, Arps, Slate, Meagher & Flom LLP, 333 West Wacker Drive, Chicago, Illinois 60601-1285 or Four Times Square, New York, New York 10036 (at Delphi's election) or such later time or other place as Delphi will notify with Buyer Parent's consent not to be unreasonably withheld all Qualified Bidders who have submitted Qualified Bids (but in no event later than the second (2nd) Business Day prior to the Sale Hearing), in accordance with the following procedures:

10.8.1 Only Delphi, Buyer Parent, any representative of GM, any representative of the UAW, any representative of the Committee and the Equityholders' Committee, any representative of Delphi's secured lenders (and the legal and financial advisers to each of the foregoing), and any Qualified Bidder who has timely submitted a Qualified Bid will be entitled to attend the Auction, and only Buyer Parent and the other Qualified Bidders who have timely submitted a Qualified Bid will be entitled to make any Subsequent Bids at the Auction. At the Auction, each Qualified Bidder will confirm on the record that it has not engaged in any collusion with respect to the Bidding Process or the Sale.

10.8.2 At least three (3) Business Days prior to the Auction, each Qualified Bidder who has timely submitted a Qualified Bid must inform Delphi whether it intends to participate in the Auction and at least two (2) Business Days prior to the Auction, Delphi will provide copies of the Qualified Bid or combination of Qualified Bids which Delphi believes is the highest or otherwise best offer to all Qualified Bidders who have informed Delphi of their intent to participate in the Auction, GM, and the UAW.

10.8.3 All Qualified Bidders will be entitled to be present for all Subsequent Bids with the understanding that the true identity of each bidder will be fully disclosed to all other bidders and that all material terms of each Subsequent Bid will be fully disclosed to all other bidders throughout the entire Auction and put on the record.

10.8.4 Sellers may employ and announce at the Auction additional procedural rules that are reasonable under the circumstances (e.g., the amount of time allotted to make Subsequent Bids) for conducting the Auction, provided that such rules are not inconsistent with these Bidding Procedures, the Bankruptcy Code, General Order M-331 issued by the United States Bankruptcy Court for the Southern District of New York, or any order of the Bankruptcy Court entered in connection herewith.

10.8.5 Bidding at the Auction will begin with the highest or otherwise best Qualified Bid and continue in minimum increments of at least \$1,000,000 higher than the previous bid or bids. The Auction will continue in one or more rounds of bidding and will conclude after each Qualified Bidder has had the opportunity to submit an additional Subsequent Bid with full knowledge and written confirmation of the then-existing highest bid or bids. For the purpose of evaluating the value of the consideration provided by Subsequent Bids (a) Buyer Parent may elect to have the amount of the Break-Up Fee and Expense Reimbursement, as provided in Section 10.5.6, credited towards its Subsequent Bids and (b) Sellers may consider

the value of any assets and/or equity interests to be retained by any Seller or any Liabilities to be assumed by the Bidder.

10.8.6 The concluding date and time of the Auction shall be stated on the record. At the conclusion of the Auction, or as soon thereafter as practicable, Seller, in consultation with its financial advisors, will: (i) review each Qualified Bid on the basis of financial and contractual terms and the factors relevant to the sale process, including those factors affecting the speed and certainty of consummating the sale; and (ii) identify the highest or otherwise best offer(s) for the Purchased Assets and the Business received at the Auction (the “**Successful Bid**”, and the bidder making such bid, the “**Successful Bidder**”), as well as identifying the Alternate Bidder. No further bids shall be considered by Delphi or the Bankruptcy Court following the conclusion of the Auction.

10.9 **Acceptance of Qualified Bids**. Sellers will sell the Purchased Assets for the highest or otherwise best Qualified Bid, as determined by Delphi, upon the approval of such Qualified Bid by the Bankruptcy Court after the hearing (the “**Sale Hearing**”). If, after an Auction in which Buyer Parent: (i) will have bid an amount in excess of the consideration presently provided for in the Agreement with respect to the transactions contemplated under the Agreement; and (ii) is the Successful Bidder, it will, at the Closing under the Agreement, pay, in full satisfaction of the Successful Bid, an amount equal to: (a) the amount of the Successful Bid; less (b) the Break-Up Fee, Expense Reimbursement and Deposit Amount. Delphi’s presentation of a particular Qualified Bid to the Bankruptcy Court for approval does not constitute Delphi’s acceptance of the bid. Delphi will be deemed to have accepted a bid only when the bid has been approved by the Bankruptcy Court at the Sale Hearing.

10.10 **Sale Hearing**. The Sale Hearing will be held before the Honorable Judge Robert Drain on February 26, 2008 at 10:00 a.m. (prevailing Eastern Time) at the United States Bankruptcy Court for the Southern District of New York, located in New York, New York, but may be adjourned or rescheduled in Delphi’s sole discretion, subject to Bankruptcy Court Approval, as necessary, without further notice by an announcement of the adjourned date at the Sale Hearing only if (a) such extension would still enable Sellers to comply with the time requirements in Section 9.1.2.D hereof after consultation with Buyer or (b) Buyer is not the Successful Bidder at the Auction. In all other instances, the Sale Hearing may only be adjourned upon written consent of Buyer, which consent shall not be unreasonably withheld. If Delphi does not receive any Qualified Bids (other than the Qualified Bid of Buyer Parent), Delphi will report the same to the Bankruptcy Court at the Sale Hearing and will proceed with a sale of the Purchased Assets to Buyer Parent following entry of the Sale Approval Order. If Delphi does receive additional Qualified Bids, then, at the Sale Hearing, Delphi will seek approval of the Successful Bid, as well as the second highest or best Qualified Bid (the “**Alternate Bid**” and such bidder, the “**Alternate Bidder(s)**”). Following approval of the sale to the Successful Bidder, if the Successful Bidder fails to consummate the sale because of: (i) failure of a condition precedent beyond the control of either Delphi or the Successful Bidder; or (ii) a breach or failure to perform on the part of such Successful Bidder, then the Alternate Bid will be deemed to be the Successful Bid and Delphi will be authorized, but not directed, to effectuate a sale to the Alternate Bidder without further order of the Bankruptcy Court.

10.11 **Return of Good Faith Deposit.** The Good Faith Deposits of all Qualified Bidders (except for the Successful Bidder) will be held in an interest-bearing escrow account and all Qualified Bids (except for the Successful Bidder) will remain open (notwithstanding Bankruptcy Court approval of a sale pursuant to the Successful Bid by a Qualified Bidder), until two (2) Business Days following the Closing of the Sale (the “**Return Date**”). If a Successful Bidder breaches its obligations under the Bidding Procedures Order or any agreement entered into with respect to its Successful Bid or fails to consummate a sale because of a breach or failure to perform on the part of such Successful Bidder, Delphi will not have any obligation to return the Good Faith Deposit deposited by such Successful Bidder, and such Good Faith Deposit will irrevocably become property of Delphi. On the Return Date, Delphi will return the Good Faith Deposits of all other Qualified Bidders, together with the accrued interest thereon.

10.12 **Reservation of Rights.** Delphi, after consultation with the agents for its secured lenders and the Committee: (i) may determine, which Qualified Bid, if any, is the highest or otherwise best offer; and (ii) may reject at any time, any bid (other than Buyer Parent’s Qualified Bid) that is: (a) inadequate or insufficient; (b) not in conformity with the requirements of the Bankruptcy Code, the Bidding Procedures or the terms and conditions of the Sale; or (c) contrary to the best interests of Sellers, their estates and creditors as determined by Delphi in its sole discretion.

11. LIABILITY, INDEMNIFICATION.

11.1 **LIMITATIONS OF LIABILITY.** NONE OF THE BUYERS OR SELLERS UNDERTAKES ANY LIABILITY FOR ANY SPECIAL, INCIDENTAL, CONSEQUENTIAL, EXEMPLARY, INDIRECT OR PUNITIVE DAMAGES; DELPHI WILL NOT BE LIABLE FOR ANY, AND BUYERS ASSUME LIABILITY FOR ALL, PERSONAL INJURY AND PROPERTY DAMAGE CONNECTED WITH BUYERS INVESTIGATION AND EXAMINATION OF THE ACQUIRED ASSETS AND THE SALE COMPANIES, AND OTHER THAN AS EXPRESSLY SET FORTH HEREIN, THE HANDLING, TRANSPORTATION, POSSESSION, PROCESSING, FURTHER MANUFACTURE OR OTHER USE OR RESALE OF ANY OF THE ACQUIRED ASSETS OR THE ASSETS OF THE SALE COMPANIES AFTER THE CLOSING DATE, WHETHER SUCH ACQUIRED ASSETS OR THE ASSETS OF THE SALE COMPANIES ARE USED OR RESOLD ALONE OR IN COMBINATION WITH OTHER ASSETS OR MATERIALS; AND BUYERS ACKNOWLEDGE THAT, SUBJECT TO THE REPRESENTATIONS AND WARRANTIES MADE HEREIN AND IN THE ANCILLARY AGREEMENTS, THE ACQUIRED ASSETS AND SALE SECURITIES ARE BEING SOLD IN THEIR PRESENT STATE AND CONDITION, “AS IS, WHERE IS,” WITH ALL FAULTS, AND BUYERS ARE PURCHASING AND ACQUIRING SUCH ACQUIRED ASSETS AND SALE SECURITIES ON THAT BASIS PURSUANT TO BUYERS’ OWN INVESTIGATION AND EXAMINATION AFTER HAVING BEEN PROVIDED WITH AN ADEQUATE OPPORTUNITY AND ACCESS TO SUCH ACQUIRED ASSETS AND THE SALE COMPANIES TO COMPLETE SUCH INVESTIGATION OR EXAMINATION.

11.2 **Survival.** Except with respect to Sections 2.1 (*Transfers by Sellers and their Affiliates*), 2.2 (*Assumption of Liabilities*), 2.3 (*Retained Liabilities*), 2.4 (*Sale Company*

Liabilities), 2.5 (*JV Company Liabilities*), 2.6 (*Deferred Items*), 3.3 (*Preparation of Closing Net Assets Statement*), 3.4 (*Post-Closing Purchase Price Adjustment*), 3.5 (*Allocation of Purchase Price*), 6.1 (*Conduct of the Business*) which will survive for only 120 days following Closing, 6.4 (*Non-Competition*), 6.5 (*Tax Matters; Cooperation; Preparation of Returns; Tax Elections*), 6.6 (*Employees; Benefit Plans; Labor Matters*), 6.8 (*Technical Documentation*), 6.9 (*Books and Records and Litigation Assistance from and after Closing*), 6.10 (*Corporate Names*), 6.11 (*Information Technology; Intellectual Property Rights and Licenses*), 6.12 (*Letters of Credit*), Section 6.13 (*Competition Clearance*), 6.14 (*Further Actions*), 6.15 (*Further Assurances*), 6.16 (*Shared Items Transferred to Buyers*), 6.18 (*Guarantee by Buyer Parent*), 6.19 (*Customs Duties*), 6.20 (*Nonsolicitation*), 6.21 (*Confidentiality*), 6.22 (*KDAC*), 6.23 (*No Right of Set-Off*), 6.24 (*Enterprise Contracts*), 6.25 (*Buyer's Covenant to Manufacture Products*), **6.27** (*Somerton Equipment*), 6.29 (*2007 Dividends*), 6.31 (*Athens, Alabama – Plant 22*), 6.33 (*Doblo 262 Column Program*), 8.6 (*Post-Closing Transfer of Intellectual Property Rights*), Article 11 (*Liability, Indemnification*) and Article 12 (*Miscellaneous*) (*and the definitions referenced in this Agreement and used therein*), the representations, warranties, covenants and agreements of the parties will not survive the Closing.

11.3 **Indemnification**. Except as may be expressly set forth in this Agreement or in an Ancillary Agreement, no Seller or Buyer will be required to indemnify any other party to any of such agreements.

11.3.1 **Buyers' Indemnification of Delphi**. Subject to Section 6.18, from and after the Closing, Buyers will, severally and not jointly indemnify, defend and hold harmless Sellers and their Affiliates and their respective directors, officers, employees, advisors, representatives and agents from and against all Losses actually incurred by Sellers and their Affiliates and their respective directors, officers, employees, partners, advisors, representatives and agents, including in connection with any actions, suits, demands, assessments, judgments and settlements, in any such case reduced by the amount of (i) insurance proceeds recovered from any Person or entity with respect thereto and (ii) other third party recoupment (“**Indemnifiable Losses**”) relating to, resulting from or arising out of:

A. Any Assumed Liability or the failure of any of the Sale Companies (or their successors or assigns) to pay, perform and discharge when due any of their respective Liabilities except, in the case of the Sale Companies, for any matters for which Sellers have expressly agreed to indemnify Buyer and its Affiliates pursuant to this Agreement or any Ancillary Agreement; and

B. Any breach by any Buyer of any covenant or agreement of any Buyer contained in this Agreement or any Ancillary Agreements.

11.3.2 **Sellers' Indemnification of Buyers**. From and after the Closing, each Seller will (with respect to the Acquired Assets, Liabilities and/or covenants sold by, retained by or applicable to such Seller), severally (and, solely with respect to the obligations of the Filing Affiliates pursuant thereto, Delphi will jointly and severally), indemnify, defend and hold harmless Buyers and their Affiliates and their respective directors, officers, employees, partners, advisors, representatives and agents from and against all Indemnifiable Losses relating to, resulting from or arising out of:

A. Any Retained Liability and Indemnifiable Sale Company Liabilities, but only to the extent that a written notice of claim thereof is delivered to the Sellers during the:

(i) in the case of any Product Warranty Liability, seventy-two (72) months after the Closing Date;

(ii) in the case of Products Liability and Insured Liabilities, thirty-six (36) months after the Closing Date;

(iii) in the case of Retained Environmental Liabilities, ninety-six (96) months after the Closing Date.

B. Any breach by any Seller of any covenant or agreement of any Seller contained in this Agreement or any Ancillary Agreements:

11.3.3 Additional Provisions Regarding Environmental Indemnification and Covenants.

A. Solely for Environmental Damages arising from circumstances which are simultaneously Pre-Closing Environmental Contamination and Post-Closing Environmental Contamination, or simultaneously a Pre-Closing Compliance Matter and a Post-Closing Compliance Matter (as the case may be), such Environmental Damages shall be allocated between Sellers and Buyers in an equitable manner based upon available evidence with respect to the timing, duration and causation of, and culpability for, the facts, events and circumstances giving rise to such Environmental Damages. In the absence of reasonable basis for allocation in accordance with the previous sentence, such allocation shall be established in proportion to the time that such Pre-Closing Environmental Contamination or Pre-Closing Compliance Matter existed as compared to the time that such Post-Closing Environmental Contamination or Post-Closing Compliance Matter existed, as the case may be.

B. Sellers shall not be liable for Environmental Damages:

(i) where Buyers make a claim for Pre-Closing Environmental Contamination based on information other than from an Environmental Claim or a subsurface investigation which is not (a) conducted at the direction of a Governmental Authority, or (b) required by Environmental Laws, it being agreed that Buyers cannot otherwise investigate or cause to be investigated any Pre-Closing Environmental Contamination;

(ii) where Buyers disclose or cause to be disclosed information to any Governmental Authority or third party without the prior written consent of Sellers (not to be unreasonably withheld or delayed), insofar as Sellers and Buyers agree (except as provided above) to treat as confidential all information regarding the environmental condition of the facilities and all information gathered, known or obtained as a result of the sale and purchase of the Purchased Assets or performing any obligation or exercising any right under this Agreement; provided, however, that the following shall not be deemed to be a disclosure for purposes of this subsection (ii):

(1) where the disclosure is required by an Environmental Law,

(2) where the information is clearly in the public domain,

(3) where the disclosure is necessary in connection with ordinary course communications with Governmental Authorities consistent with accepted industry practice, provided that any disclosure of Pre-Closing Environmental Contamination or Pre-Closing Compliance Matter initiated by Buyer or any gratuitous disclosure by Buyer of the existence of Pre-Closing Contamination or Pre-Closing Compliance Matter without an environmental regulatory justification shall not constitute "disclosure in connection with ordinary course communications" for purposes hereof, or

(4) where the Parties agree in writing to such disclosure (such agreement not to be unreasonably withheld);

(iii) where Buyers use a Real Property for a use other than an industrial use, or seek to or change the zoning or land use designation or classification of a Real Property to a classification more sensitive than the industrial zoning or land use designation or classification;

(iv) where the Buyers make a claim and Buyers did not take reasonable action to avoid or mitigate any Environmental Damages; or

(v) Except in connection with the closure of the Manufacturing Facilities listed on Schedule 11.3.3, to the extent Environmental Damages were created or increased where Buyers cease operations at or close or demolish all or a portion of a facility which is part of the Business which cessation or closure/demolition (a) causes an Environmental Claim to be brought against Buyers by operation of law or otherwise, or (b) increases the Environmental Damages as a result.

C. The liability of the non-claiming Party for any claim for indemnification related to Assumed Environmental Liabilities or Retained Environmental Liabilities shall terminate absolutely twelve (12) months after a written denial by the non-claiming Party, if legal Proceedings in respect of such claim have not been commenced within such twelve (12) month period, except that the running of the 12 month period shall be tolled for the same time a pending resolution of an issue is the subject of any agreed dispute resolution procedure.

D. (1) Environmental investigatory, remedial or corrective action with regard to matters constituting Retained Environmental Liabilities shall be conducted by the Sellers applying best engineering judgment and the common practices in the jurisdiction in which the relevant property is located. In connection therewith, the Sellers shall provide Buyers

with an opportunity to review and comment on all such work plans or scopes of work, studies or site remediation plans, and any material decisions or determinations associated with the implementation thereof, which comments the Sellers will consider and adopt where reasonable, and Sellers shall not unreasonably interfere with Buyers' conduct of the Business at the relevant property.

(2) As part of the strategy for conducting environmental remediation, Sellers can, at their option and to the extent permitted by Environmental Law, include environmental risk analysis and other risk evaluation methods, institutional engineering control as is appropriate.

(3) Sellers shall not be obligated to conduct environmental remediation to any standard beyond that which is required under applicable Environmental Law.

E. On and after the Closing Date, Sellers and Buyers shall cooperate in taking reasonable steps to effect the transfer or procure the reissuance of any Environmental Permit necessary to operate the Business.

F. With respect to disputes regarding matters related to Environmental Laws or environmental matters, any dispute resolution into which the parties enter shall be commenced and conducted as otherwise consistent with this Agreement, provided, however, that the individuals resolving any such dispute shall be skilled in environmental law, investigation and remediation in the jurisdiction in which the relevant Real Property is located, and shall be qualified environmental lawyers or environmental consultants as the circumstances of the dispute reasonably dictate.

11.3.4 **Defense of Claims.**

A. If any Indemnitee receives notice of the assertion of any Claim or of the commencement of any action or proceeding by any Person or Governmental Authority that is not a party to this Agreement (a "**Third Party Claim**") against such Indemnitee, with respect to which an Indemnifying Party is obligated to provide indemnification under this Agreement, the Indemnitee will give such Indemnifying Party reasonably prompt written notice thereof, but in any event not later than 20 calendar days after receipt of notice of such Third Party Claim; provided, however, that the failure of the Indemnitee to notify the Indemnifying Party shall only relieve the indemnifying party from its obligation to indemnify the Indemnitee pursuant to this Section 11.3 to the extent that the Indemnifying Party is materially prejudiced by such failure (whether as a result of the forfeiture of substantive rights or defenses or otherwise). Upon receipt of notification of a Third Party Claim, the Indemnifying Party shall be entitled, upon written notice to the Indemnitee, to assume the investigation and defense thereof if such Indemnifying Party delivers a written agreement in form and substance reasonably satisfactory to the Indemnitee agreeing to indemnify the Indemnifying Party with respect to such Third Party Claim; provided that notwithstanding anything herein to the contrary, the Indemnifying Party shall have no right to assume or continue the defense of any Third Party Claim (and the Indemnitee shall have the exclusive right to defend it) if the Indemnitee reasonably determines that the Indemnifying Party does not have sufficient financial resources to defend or discharge such Third Party Claim. Whether or not the Indemnifying Party elects to assume the

investigation and defense of any Third Party Claim, the Indemnatee shall have the right to employ one separate counsel (plus one separate local counsel) and to participate in the investigation and defense thereof; provided, however, that the Indemnatee shall pay the reasonable fees and disbursements of such separate counsel. Without the prior written consent of the Indemnatee, the Indemnifying Party will not enter into any settlement of any Third Party Claim that would lead to liability or create any financial or other obligation on the part of the Indemnatee unless such settlement includes as an unconditional term thereof the release of the Indemnatee from all liability in respect of such Third Party Claim.

B. Any claim by an Indemnatee on account of an Indemnifiable Loss that does not result from a Third Party Claim will be asserted by giving the Indemnifying Party reasonably prompt written notice thereof and the Indemnifying Party will have a period of 30 calendar days within which to respond in writing to such claim.

C. It is expressly agreed that any Product Warranty Liability for which indemnification may be sought is to be treated as a Third Party Claim and the Indemnifying Party shall be entitled to assume the defense of such claim and participate in the defense of such claim, and, in no event shall any Retained Product Warranty Liability be settled without the consent of Delphi (such consent not to be unreasonably withheld).

D. The Indemnifying Party shall have the right to pursue any third-party for liability or contribution in connection with any Liability for which indemnification is sought, including the right to pursue suppliers, and each Party shall be deemed to have assigned or retained, as appropriate, such contractual or other rights as are necessary for such Party to prosecute such action.

12. MISCELLANEOUS.
